Earnings per share (EPS).	846.93	(99.64)	783.05	(45.70)

*Previous year figures have been regrouped / reclassified, wherever necessary, to confirm to the current year groupings / classifications.

Performance of the Company's affairs:

During the current year, Revenue from operation of the Company, on standalone basis, is Rs. 50.58 Lakhs as against Rs. 63.65 Lakhs of previous year. The Profit/(loss) after tax before other Comprehensive income, for the current year increased to Rs. 1,25,766.17 Lakhs as compared to Rs. (14,554.63) Lakhs loss for previous year. The net Profit/ (loss) after other Comprehensive income is also increased to Rs. 1,26,072.90 Lakhs as compared to Rs. (14,836.22) Lakhs loss of previous year.

The Company discontinued and sold Gwalior Business to its erstwhile Subsidiary Company Kurlon Enterprise Limited which has made significant changes in the values of the standalone financials of the Company. Due to this impact the previous year figures has been regrouped / reclassified, wherever necessary, to confirm with the current year groupings / classifications.

On Consolidated basis, the overall revenue is decreased from Rs. 85,398.39 Lakhs to Rs. 43,516.99 Lakhs, however the Consolidated Profit after tax and other comprehensive income increased to Rs. 1,16,427.46 Lakhs as against the Previous Year of Rs. (6,765.33) Lakhs.

During the year under review, the Company made significant strategic decisions that have reshaped its future trajectory. On July 17, 2023, the Company entered into a Share Purchase Agreement (SPA) with M/s. Sheela Foam Limited, leading to the sale of 94.66% of its equity shareholdings in Kurlon Enterprise Limited for deal price of Rs. 2,150 Crores. Effective from October 20, 2023, Kurlon Enterprise Limited ceased to be a subsidiary of the Company. Consequently, as per the terms of the SPA the Company transferred its Dabaspur Foam Land, Dabaspur Sofa Land, Bhubaneswar Land and Haridwar Land including Company's Gwalior Business to Kurlon Enterprise Limited.

Pursuant to the above transaction, the Company has cleared all its loans to the Banks. Further, the wholly owned subsidiary of the Company "Kanara Consulting and Service Management Private Limited" (formerly known as Kurlon Trading and Invest Management Private Limited) has cleared the loans to the lenders (Bajaj Finance Limited and Kotak Mahindra Investment Limited) and the Company also discharged all the guarantees including mortgages with Bajaj Finance Limited and Kotak Mahindra Investment Limited.

Consequently, effective from June 14, 2023, the Company changed its name from Kurlon Limited to Kanara Consumer Products Limited and expanded its business objectives to align with new strategic directions. With the management's extensive experience, the Company has laid out detailed plans for further strategic investments, aiming for long-term sustainable growth.

2. Dividend

Your Directors are pleased to recommend a Dividend of

Rs 10.00/- (i.e. 100%) per equity share of Rs. 10/- each fully paid up as final dividend for the financial year ended March 31, 2024, payable to those Shareholders whose names appear in the Register of Members as on the Record Date. The dividend on Equity Shares is subject to the approval of the shareholders at the forthcoming Annual General Meeting (AGM) of the Company. Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of the shareholders effective April 1, 2020 and the Company is required to deduct tax at source from dividend paid to the Members at prescribed rates as per the Income Tax Act, 1961.

3. Details of difference between amount of the valuation done at the time of one time settlement and the valuation done while taking loan from the banks or financial institutions along with the reasons thereof

As Company has not done any one-time settlement during the year under review hence no disclosure is required.

4. Details of application made or any proceeding pending under the Insolvency and Bankruptcy Code, 2016.

There is no application made or any proceeding pending by or against the Company under the Insolvency and Bankruptcy Code, 2016 during FY 2023-24.

5. Transfer to Reserves

The Board of Directors have decided to retain the profit after distribution of dividend for the Financial Year 2024 in the Statement of Profit and Loss hence no amount is being recommended to transfer to General reserve

6. Consolidated Financial Statement

Pursuant to Section 129(3) of the Companies Act, 2013 and IND AS 110 issued by Institute of Chartered Accountant of India, the Consolidated Financial Statements presented by the Company include the Audited Financial Statements received from Subsidiary Companies, as approved by its Boards.

7. Change in the Nature of Business

During the year under review, the Company exited from the mattress and related businesses via sale of shares held in Kurlon Enterprise Limited. The Company has then altered the objects clause of the Company and has included as its main objects as Developers, Builders, Managers and Operators of all immovable properties and related activities, investments in securities, dealership in consumer products etc., the Company is progressing towards the new objectives.

8. Material changes and Commitments effecting the financial position of the Company between the end of the Financial Year and date of this report

There are material changes and commitments affecting the financial position of the Company between the end of the Financial Year and the date of this report as listed below.

a) The Company offered its shareholders the option of buying back the equity shares for a price of Rs.1300 per share. The buyback offer was opened on 5th of June 2024 and closed on 19th June 2024. The promoters, except Mr. T Sudhakar Pai, Mrs. Jaya S Pai and Mrs. Jyothi Ashish Pradhan had given their consent for not participating in the buyback. Totally 168 shareholders opted for the buyback option, leading to the repurchase of 7,46,854 shares from the shareholders.

9. Indian Accounting Standards

Financial statements of the Company have been prepared in accordance with Indian Accounting Standard (“IND AS”).

10. Share capital

During the year under the review, the Authorized Share Capital of the Company as on date of Balance Sheet is Rs. 35,00,00,000/- (Rupees Thirty-Five Crores Only) divided into 3,50,00,000 (Three Crores Fifty Lakhs Only) Equity Shares of Rs.10/- (Rupees Ten Only) each and The Paid up share capital of the Company as on date of balance sheet is Rs. 14,88,26,050/- (Rupees Fourteen Crores Eighty-Eight Lakhs Twenty-Six Thousand Fifty Only) divided into 1,48,82,605 (One Crore Forty-Eight Lakhs Eighty Two Thousand Six Hundred Five Only) Equity Shares of Rs. 10/- each.

Pursuant to Share Purchase Agreement (SPA) entered with M/s. Sheela Foam Limited on July 17, 2024 the members of the Company by passing special resolution through postal ballot on 16th May 2023 changed the name of the Company from Kurlon Limited to Kanara Consumer Products Limited with effect from 14th June 2023.

12. Directors and Key Managerial Personnel

Following are the Directors and KMPs of the Company as on date of this report.

retire by rotation. Further Mrs. Jyothi Ashish Pradhan (DIN: 06733156) has been appointed as an Executive Director of the Company in the previous Annual General Meeting of the Company.

Mr. Narendra Kudva (DIN: 07459916) was resigned as a Non-Executive Director with effect from 19th April, 2024.

Mr. Jamsheed Minoo Panday (DIN: 00232768) and Mr. Aspi Nariman Katgara (DIN: 06946494) resigned as Directors of the Company with effect from 29th February, 2024.

Mr. Monu Kumar ceased to be Company Secretary of the Company with effect from 20th October 2023. The Board

places on record its appreciation towards valuable contribution made by Mr. Monu Kumar during his tenure as Company Secretary of the Company. Further, the Board has appointed Ms. Susheela Y Bungale as Company Secretary of the Company w.e.f 14th February 2024 in place of Mr. Monu Kumar.

13. Declaration by Independent Director

The Independent Directors have submitted the declaration of Independence, as required pursuant to section 149(7) of the Companies Act, 2013 stating that they meet the criteria of Independence as provided in section 149 (6) of the Companies Act, 2013, as amended. The Board took on record the declaration and confirmation submitted by the Independent Directors regarding their meeting the prescribed criteria of Independence, after undertaking due assessment of the veracity of the same as required.

14. Board Meetings

The Meetings of the Board were held at regular intervals within a time gap of not more than 120 days between two consecutive Meetings. During the year under review 11 (Eleven) Meetings of the Board of Directors were held on 26.05.2023, 17.07.2023, 27.09.2023, 13.10.2023, 25.10.2023, 21.11.2023, 21.12.2023, 11.01.2024, 22.02.2024, 08.03.2024 and 22.03.2024 respectively.

The Agenda of the Meetings are circulated to the Directors in advance. Minutes of the Meetings of the Board of Directors are circulated amongst the Members of the Board for their perusal.

15. Disclosure about receipt of commission or remuneration by Managing Director

In terms of the provisions of section 197(14) of the Act, Mr. T Sudhakar Pai, Managing Director of the Company received remuneration from the Holding Company Viz, Kanara Consumer Products Limited and did not received any commission or remuneration from the Subsidiary Companies.

16. Annual Evaluation of Board and its Committees

The Nomination and Remuneration Committee (“NRC”) has laid down proper criteria and procedure to evaluate and scrutinize performance of the Chairperson, each Director (including Executive, Non-Executive and

Independent Directors), of the Board as a whole and its Committee. The criteria include different aspects covered under Administrative, Strategic, Operational and Compliance headings.

As per laid down procedure, the Independent Directors would hold a separate meeting whenever necessary, to review the performance of the Chairman of the Company after taking into account the views of Executive and Non-Executive Directors. The substantial, and continuing, contribution of the Chairman in the growth of the Company has been highly commended. The Independent Directors also reviewed performance of every Executive and Non-Executive Director of the Board. The performance evaluation of each Independent Director was done by the entire Board (except the Independent Directors being evaluated).

The performance of each committee has been evaluated by its members and found to be satisfactory.

17. Familiarization Program for Independent Directors

The Company has put in place a Familiarization Program for Independent Directors to familiarize them with the Company, its businesses, their roles, rights, responsibilities & nature of industry in which Company operates. Directors are regularly updated on performance of the business of the Company, business strategy going forward and new initiative being taken/proposed to be taken by the Company through presentation by head of the Departments.

18. Deposit from Public

The Company has not accepted any deposits from the public within the meanings of Sections 73 to 76 of the Act and the rules framed thereunder to the extent notified.

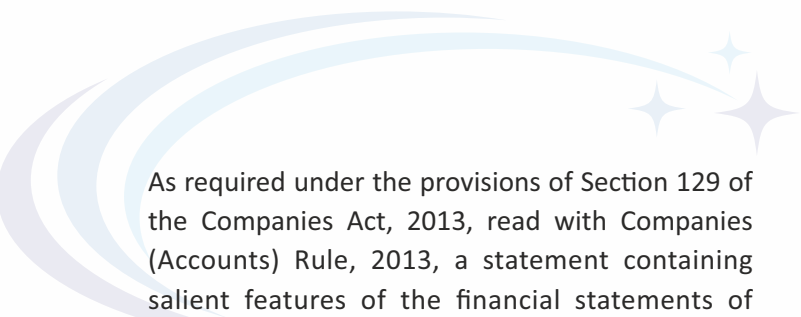

19. Remuneration Policy

The Company follows a policy on remuneration of Directors and Senior Management Employees. The policy is approved by the Nomination and Remuneration Committee and the Board.

20. Details of Subsidiary / Joint Ventures / Associate Companies

The Company has following subsidiaries as on 31st March 2024.

Sl. No.	Name and address of the Company	CIN/GLN	Subsidiary / Associate Joint Venture
1	Manipal Software & e-Commerce Private Limited	U72200KA2011PTC059084	Subsidiary
2	Manipal Natural Private Limited	U24290KA2019PTC130068	Subsidiary
3	Kanara Consulting and Service Management Private Limited	U67190MH2022PTC382693	Subsidiary

As required under the provisions of Section 129 of the Companies Act, 2013, read with Companies (Accounts) Rule, 2013, a statement containing salient features of the financial statements of subsidiaries is provided in the prescribed format AOC-1 as Annexure-A of the Board Report therefore not repeated to avoid duplication.

21. Directors' Responsibility Statement

Your Directors make the following statement in terms of Section 134(3) (c) & (5) of the Act, which is to the best of their knowledge and belief and according to the information and explanations obtained by them:-

- a. that in the preparation of the annual accounts for the Financial Year ended March 31, 2024, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- b. that appropriate accounting policies have been selected and applied consistently and judgments and estimates that are reasonable and prudent have been made so as to give a true and fair view of the State of Affairs as at March 31, 2024 and of the Profit of your Company for the Financial Year ended March 31, 2024.
- c. that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of your Company and for preventing and detecting fraud and other irregularities;
- d. that the annual accounts for the Financial Year ended March 31, 2024 have been prepared on a going concern basis;
- e. They have laid down Internal Financial Controls, which are adequate and are operating effectively.
- f. That the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

22. Report on Corporate Governance

The Company is committed to maintain the highest standards of Corporate Governance and adhere to the Corporate Governance practice as set out in the Act. The Company believes that the essence of

Corporate Governance lies in the phrase 'Your Company'. It is 'Your' Company because it belongs to you – the shareholders. The Chairman and Directors are 'Your' fiduciaries and trustees. Their objective is to take the business forward in such a way that it maximizes 'Your' long-term value.

Your Company is committed to benchmarking itself with global standards for providing good Corporate Governance. It has put in place an effective Corporate Governance System in the Company not only for the good secretarial practice but to ensure that the businesses of the Company are being conducted in transparent manners.

23. Auditors and Auditors' report

Statutory Auditors

Pursuant to Section 139 of the Act and Rules made thereunder, the Company has via postal ballot appointed M/s.Nangia & Company LLP (Registration No. 002391C/N500069) as statutory auditors to fill the casual vacancy caused due to resignation of M/s. S.R.Batliloi & Associates LLP (SRBA)., Chartered Accountants (Registration No. 101049W/E300004). M/s.Nangia & Company LLP (Registration No. 002391C/N500069) were appointed as the Statutory Auditors of the Company to hold office till the conclusion of the Annual General Meeting to be held for the year ending on 31st March 2024. The resolution for appointment of M/s Nangia & Company LLP (Registration No. 002391C/N500069) as statutory auditors for a period of 5 years from the conclusion of this Annual General Meeting till the conclusion of the 67th Annual General Meeting has been proposed at this Annual General Meeting.

The Company has received confirmation from the Auditors that they are eligible to be appointed as the statutory auditors of the Company. The Reports given by M/s. Nangia and Company (Registration No. 002391C/N500069) on the standalone and consolidated financial statements of the Company for FY 2023-24 are part of the Annual Report.

During the year, the Statutory Auditors have confirmed that they satisfy the independence criteria required under the Companies Act, 2013 and the Code of Ethics issued by the Institute of Chartered Accountants of India.

24. Audit Reports

The notes on Financial Statement referred to in the Auditors' Report are self-explanatory and do not call for any further comments. The Auditors' Report on standalone financials, does contain qualification, reservation, adverse remark or disclaimer and it is as follows:

"We draw attention to note 7(a) to the accompanying standalone financial statements which describes the management's assessment regarding recovery of loan and investment from one of the wholly owned subsidiary companies as at March 31, 2024, amounting to Rs. 5,645.56 lakhs and Rs. 601.00 lakhs respectively. Further, as stated in the aforesaid note, the recovery of loan and investment is dependent on the future profitability of aforementioned subsidiary company which is uncertain presently. Considering the aforesaid factors, we are unable to comment on the recoverability of loan and investment and consequent provision, if any, cannot be determined at the present."

The Directors of the Company are of the view that MNPL is in the third year of commercial operations and expect the business to meet its objective in three to five years horizon, given the nature of the industry it operates. MNPL operates on global platform which takes three to six months for each customer related actions to fructify into profitable business. The current order book together with projections have been shared with the Auditors, which has been very encouraging.

25. Secretarial Auditor:

The provisions of Section 204 of the Companies act are not applicable to the Company hence your Company is not required to appoint Secretarial Auditor.

26. Cost Auditor:

During the year under the review, Cost audit is not applicable to the Company.

27. Transfer to Investor Education and Protection Fund (IEPF)

Pursuant to the provisions of the Act, read with Investor Education Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules,

2016, as amended ('Rules'), the dividends, unclaimed for a period of seven years from the date of transfer to the Unpaid Dividend Account of the Company are liable to be transferred to the IEPF. Accordingly, unclaimed dividends has already been transferred to the IEPF authority within stipulated time period, Further, the shares pertaining to which dividend remains unclaimed for a consecutive period of seven years from the date of transfer of the dividend to the Unpaid Dividend Account, as mandatorily required to be transferred to the IEPF Authority had also been transferred by the company within stipulated time period to IEPF authority established by the Central Government.

However, during the year under review, the Company has not transferred any amount to IEPF as no amounts were due to be transferred in respect of immediate previous 7 years.

Any shareholder whose unclaimed dividend and shares pertaining thereto, have been transferred to the IEPF Fund can claim their due amount from the IEPF Authority by making an electronic application in web-form IEPF-5. Upon submitting a duly completed form, shareholders are required to take print of the same and send physical copy duly signed along with requisite documents as specified in the form to the attention of the Nodal Officer, at the Registered Office of the Company or to the share transfer agent (RTA) of the Company. The instructions for the web-form can be downloaded from the website of Ministry of Corporate Affairs at www.iepf.gov.in. Shareholders are also requested to contact the RTA for encashing the unclaimed dividend, if any, standing to the credit of their account for the subsequent dividend as and when declared by the company.

Any shareholders who wish to know the status of unclaimed dividend or shares can directly approach to the company or its RTA as the company does not have its own website to disclose list of unclaimed dividends and shares transferred to IEPF authority

28. Loans, Guarantees and investments

The particulars of Loans given, investments made, guarantees given and securities provided in accordance with the provisions of Section 186(4) of the Companies Act, 2013 during the year under review are as follows :-

Category	Date of Board Meeting Approval for Loan / Investment / Security / Guarantee	Details of Loan / investment / Security / Guarantee	Name of the Company in which Investment / Loan / Guarantee is made / given	Purpose of which the loan / guarantee / security is proposed to be utilized by the recipient	Amount (In Lakhs)

29. Particulars of Contracts or Arrangements with related parties

All related party transactions pursuant to Section 188(1) of the Act that were entered into during the Financial Year were on an arm's length basis and in the ordinary course of business. There were no materially significant related party transactions made by your Company with its Promoters, Directors, Key Managerial Personnel or other designated persons which might have a potential conflict with the interest of the Company at large.

All Related Party Transactions are placed before the Audit Committee for review and approval. Prior omnibus approval is also obtained from

the Audit Committee for the related party transaction which are of repetitive nature.

The information on transactions with related parties pursuant to Section 134(3)(h) of the Companies Act, 2013 read with Rule 8(2) of the Companies (Accounts) Rules, 2014 are given elsewhere in this report and the same forms part of this report. (For Related party transaction please refer to Note No.33 to the Standalone Financial Statement)

Form AOC-2, containing the note on the aforesaid related party transactions is annexed as Annexure – C.

30. Risk Management System

The Company has laid down a well-defined risk management mechanism covering the risk mapping and trend analysis, risk exposure, potential impact and risk mitigation process. A detailed exercise is being carried out to identify, evaluate, manage and monitor and non-business risks. The Audit Committee and the Board periodically review the risks and suggest steps to be taken to manage/mitigate the same through a properly defined framework.

During the year, a risk analysis and assessment was conducted and no major risks were noticed, which may threaten the existence of the Company.

31. Environment & Safety

Since inception the Company has striven to embed environmental considerations in business decisions & continues its focus on Environmental Management System which is a structured and systematic process for achieving continuous improvement in environmental performance.

The Company integrates the consideration of environmental concerns and impacts into its decision making and activities by promoting environmental awareness among our employees and encouraging them to work in an environmentally responsible manner & communicate our environmental commitment to clients, customers, the public and encourage them to support it. It also strives to continually improve its environmental performance by minimizing the social impact and damage by periodically reviewing the policy in light of its current and planned future activities.

32. Vigil Mechanism/ Whistle Blower Policy

The Company has a vigil mechanism for Directors and Employees to report their concerns about unethical behavior, actual or suspected fraud or violation of the Company's Code of Conduct. The mechanism provides for adequate safeguards against victimization of Directors and employees who avail the

mechanism. In exceptional cases, Directors and employees have direct access to the Chairperson of the Audit Committee.

33. Corporate Social Responsibility (CSR)

Your Company has constituted a Corporate Social Responsibility (CSR) Committee which works under the direct supervision of Mrs. Jaya S Pai, Director, who also acts as the Chairperson of the Committee. INDEPENDENT Auditor's Report

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **STANDALONE** Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of Kanara Consumer Products Limited (formerly known as Kurlon Limited) (the "Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income/(loss)), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Ind AS Financial Statements, including a summary of material accounting policies and other explanatory information (referred to as "Ind AS Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the 'Basis of Qualified Opinion' section of our report, the aforesaid Ind AS Standalone Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit including other comprehensive income/(loss), the changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We draw attention to note 7(a) to the accompanying standalone financial statements which describes the management's assessment regarding recovery of loan and investment from one of the wholly owned subsidiary companies as at March 31, 2024, amounting to Rs. 5,645.56 lakhs and Rs. 601.00 lakhs respectively. Further, as stated in the aforesaid note, the recovery of loan and investment is dependent on the future profitability of aforementioned subsidiary company which is uncertain presently. Considering the aforesaid factors, we are unable to comment on the recoverability of loan and investment and consequent provision, if any, cannot be determined at the present.

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our

responsibilities under those Standards are further described in the 'Auditor's Responsibility for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors' Report and Annexures thereto, but does not include the Ind AS Standalone Financial Statements and our auditors' report thereon.

Our opinion on the Ind AS Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Standalone Financial Statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Ind AS Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income/(loss), changes in equity and

cash flows of the Company in accordance with accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Standalone Financial Statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Standalone Financial Statements.

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **STANDALONE** Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- ▶ Identify and assess the risks of material misstatement of the Ind AS Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- ▶ Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- ▶ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- ▶ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- ▶ Evaluate the overall presentation, structure and content of the Ind AS Standalone Financial Statements, including the disclosures, and whether the Ind AS Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and

INDEPENDENT Auditor's Report

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **STANDALONE** Financial Statements

timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Ind AS Standalone Financial Statements of the Company for the year ended March 31, 2023, included in these Ind AS Standalone Financial Statements, have been audited by the predecessor auditor who expressed a qualified opinion on those statements on November 21, 2023.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

a. Except for the effects of the matters described in the Basis of Qualified Opinion paragraph, we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the effects of the matters described in the Basis of Qualified Opinion paragraph, the Company does not have servers physically located in India for the daily backup of the books of accounts and other books and papers maintained in electronic mode and for the matters stated in the paragraph (j)(vi) below on the reporting under Rule 11 (g).

c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income/(Loss), the Statement of Changes in Equity and the Statement of

Cash Flows dealt with by this Report are in agreement with the relevant books of account.

d. Except for the effects of the matters described in the Basis of Qualified Opinion paragraph, In our opinion, the aforesaid Ind AS Standalone Financial Statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

e. On the basis of the written representations received from the directors as on March 31, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

f. The Qualification relating to the maintenance of accounts and other matters connected therewith are stated in the Basis of Qualified Opinion paragraph above and paragraph 2 (b) above on reporting under Section 143(3)(b) and paragraph (j) (vi) below on reporting under Rule 11(g).

g. With respect to the adequacy of the internal financial controls with reference to these Ind AS Standalone Financial Statements and operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report.

h. The matters described in the Basis for Qualified Opinion paragraph and matters described under clause (I) (b), (i)(c) and (iii)(b) of statement on the matters specified in paragraphs 3 and 4 of the Order in "Annexure 1", in our opinion, may have adverse effect on the functioning of the Company.

i. In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid/provided by the company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act as applicable.

j. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company has disclosed the impact of pending litigations on its Financial position in its Ind AS Standalone Financial Statements - Refer Note 36 to the standalone financial statements.

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **STANDALONE** Financial Statements

(ii) The Company did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended March 31, 2024.

(iii) Following are the instances of delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2024:

Financial year	Amount involved (Rs lakhs)	Date of Payment	Number of Day's of Delay
2007-08	0.32	Not paid	Not paid
2008-09	0.75	Not paid	Not paid
2010-11	0.01	Not paid	Not paid

(iv) (a) The management has represented that, to the best of it's knowledge and belief, except as disclosed in the note 43 to the Ind AS Standalone Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented, that, to the best of it's knowledge and belief, as disclosed in the note 43 to the Ind AS Standalone Financial Statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or

otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on the audit procedures performed by us that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b), contain any material misstatement.

(v) As stated in note 15 (f) to the Ind AS Standalone Financial Statements, no dividend has been declared and paid during the year by the Company.

As stated in note 15 (f) to the Ind AS Standalone Financial Statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

(vi) As stated in Note 43 (x) to the Ind AS Standalone Financial Statements and according to the information and explanations given to us by the Company and based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and we are unable to comment whether the same has operated throughout the year for all relevant transactions recorded in the software in the absence of availability of audit log backups. The audit trail feature is not enabled at the database level insofar as it relates to SAP accounting software. We are unable to comment whether the audit trail feature being tampered or not during the year in the absence of availability of audit log backups.

INDEPENDENT Auditor's Report

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **STANDALONE** Financial Statements

"ANNEXURE 1" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Kanara Consumer Products Limited (formerly known as Kurlon Limited) (the "Company") for the year ended March 31, 2024

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

(I) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangibles assets.

(b) Property, Plant and Equipment have not been physically verified by the management during the year, hence, we are unable to comment on the discrepancies, if any.

(c) According to the information and explanations given by the management, title deeds of the immovable properties included in property, plant and equipment are held in the erstwhile name of the Company except for certain properties namely Sy.No.437/3 (3 guntas), 438/1A (30 guntas), 438/1B (46 guntas), 438/2 (78 guntas) located at B.H Road, Arasikere, Hassan amounting to Rs 0.29 lakhs are held in the name of Late Mr. Tonse Ramesh Upendra Pai, Father of current Managing Director of the Company and in respect of immovable properties of land that have taken on lease and disclosed as Right-of-use assets in the Ind AS Standalone Financial Statements, the lease agreements are in the erstwhile name of the Company.

Particulars	Loans (Rs. in Lakhs)	Guarantee (Rs. in Lakhs)	Advances in the nature of Loans (Rs. in Lakhs)
Aggregate amount granted/ provided during the year			
- Subsidiaries	10,190.89	-	-
- Others	1,762.47	-	1,223.87
Balance Outstanding (including principal and interest) as at March 31,2024 #			
- Subsidiaries	5,645.56	3,950	-
- Others	488.87	-	0.61

(d) The Company has not revalued any of its Property, Plant and Equipment (including Right of Use Assets) during the year ended March 31, 2024.

(e) As represented to us by the management, there are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder as disclosed in Note 43 to the Ind AS Standalone Financial Statements.

(ii) (a) The inventory has been physically verified during the year by the management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such physical verification of inventories when compared with books of account. There are no inventories lying with third parties.

(b) As disclosed in note 20 to the Ind AS Standalone financial statements, the Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks during the year on the basis of security of current assets of the Company. Based on the records examined by us in the normal course of audit of the Ind AS Standalone Financial Statements, the quarterly returns/statements is not required to be filed by the company with such banks as the working capital limits are backed up by fixed deposits which are under lien. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) (a) During the year, the Company has provided loans and advances in the nature of loans to Companies and other parties as follows:

The aforesaid balance outstanding as at balance sheet date in respect of subsidiaries and others is net of provision made for doubtful recovery of loans given to subsidiaries and to others amounting to Rs. 7,458.72 Lakhs and net of provision made for doubtful recovery of advances in the nature of loans amounting to Rs. 4,573.37 Lakhs. Also refer Note 8 and 11 in the Ind AS Standalone Financial Statements and reporting under clause (iii) (b) below.

Apart from the above, the Company has not provided securities to Companies, firms Limited Liability partnerships or any other parties.

(b) The investments made, guarantees provided, loans granted, security given and the terms and conditions of the grant of all loans to Companies, firms, Limited Liability Partnerships or any other parties and advances in the nature of loans given to Companies and other parties (i.e. Employees) are not prejudicial to the Company's interest except for the loans Rs. 7,458.72 lakhs, advances in the nature of loan Rs. 4,573.37 lakhs which has been provided since considered doubtful of recovery as of March 31,2024. Also refer Note 8 and 11 in the Ind AS Standalone Financial Statements as regard to interest rate, accrual of interest and terms of repayment.

(c) The Company has granted loans and advance in the nature of loans during the year to companies, or any other parties (i.e. Employees) where the schedule of

repayment of principal and payment of interest has been stipulated. The aforesaid loans are repayable on demand along with interest and the company has not demanded the same during the year. Also refer Note 8 and 11 in the Ind AS Standalone Financial Statements and reporting under clause(iii)(b) above.

(d) There are no amounts of loans and advances in the nature of loans granted to companies, firms, limited liability partnerships or any other parties which are overdue for more than ninety days. Also refer Note 8 and Note 11 in the Ind AS Standalone Financial Statements and reporting under clause(iii)(b) above.

(e) There were no loans or advance in the nature of loans granted to companies, Limited Liability Partnerships or any other parties which had fallen due during the year, that have been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties. Also refer Note 8 and Note 11 in the Ind AS Standalone Financial Statements and reporting under clause(iii)(b) above.

(f) As disclosed in Note 8 and Note 11 in the Ind AS Standalone Financial Statements, the company has granted loans which are repayable on demand to the Companies, firms and other parties. Following are details of the aggregate amount of loans granted to related parties as defined in clause (76) of Section 2 of the Companies Act,2013.

Particulars	Related Parties (Amount Rs. lakhs)
Aggregate amount of loans/advances in nature of loans -Repayable on demand (Gross Amount)	17,667.26
Percentage of loans/advances in nature of loans to the total loans	97.25%

Except for the above, the Company has not granted advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to any other parties. Also refer note 8 in the Ind AS Standalone Financial Statements.

(iv) Loans, investments, Guarantees and security in respect of which provisions of sections 185 and 186 of the companies Act, 2013 are applicable have been complied with by the company. Also refer reporting under clause (iii)(b) above.

(v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

(vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost

(viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

(ix) (a) The Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority or any other lender.

(c) Term loans were applied for the purpose for which the loans were obtained.

(d) On an overall examination of the Ind AS Standalone Financial Statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) On overall examination of the Ind AS Standalone Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and associates. The Company does not have any joint venture.

(f) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries or associate companies. The Company does not have any joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.

(x) (a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or

convertible debentures (fully or partly or optionally) during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) No fraud by the Company or no fraud on the Company has been noticed or reported during the year.

(b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by secretarial auditor or by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

(xii) (a) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a) of the Order are not applicable to the Company.

(b) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(b) of the Order are not applicable to the Company.

(c) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)© of the Order are not applicable to the Company.

(xiii) Transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the Ind AS Standalone Financial Statements, as required by the applicable accounting standards.

(xiv) (a) The Company does not have an internal audit system and is not required to have an internal audit system under the provisions of Section 138 of the Companies Act, 2013. Therefore, the requirement to report under clause 3(xiv)(a) of the Order is not applicable to the Company.

(b) The Company does not have an internal audit system and is not required to have an internal audit system under the provisions of Section 138 of the

INDEPENDENT Auditor's Report

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **STANDALONE** Financial Statements

Companies Act, 2013. Therefore, the requirement to report under clause 3(xiv)(b) of the Order is not applicable to the Company.

(xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence requirement to report on clause 3(xv) of the Order is not applicable to the Company.

(xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.

(b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.

© The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.

(d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.

(xvii) Based on our audit procedures and according to the information and explanations given to us, the Company has not incurred cash losses during the financial year. In the immediately preceding financial year, the Company had incurred cash losses amounting to 85,24.39 lakhs.

(xviii) The previous statutory auditors of the Company have resigned during the year and we have taken into consideration the issues, objections or concerns raised by the outgoing auditors.

(xix) On the basis of the financial ratios disclosed in note 42 to the Ind AS Standalone Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 135 of the Act. This matter has been disclosed in Note 37 to the Ind AS Standalone Financial Statements.

(b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section(6) of section 135 of the Companies Act. This matter has been disclosed in Note 37 to the Ind AS Standalone Financial Statements.

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **STANDALONE** Financial Statements

ANNEXURE '2' REFERRED TO IN PARAGRAPH UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT EVEN DATE ON THE IND AS STANDALONE FINANCIAL STATEMENTS OF KANARA CONSUMER PRODUCTS LIMITED (FORMERLY KNOWN AS KURLON LIMITED)

Report on Internal Financial Controls under Clause(i) of Sub-Section 3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the Internal Financial controls with reference to Ind AS Standalone Financial Statements of Kanara Consumer Products Limited (formerly known as Kurlon Limited) ("the Company") as of March 31, 2024, in conjunction with our audit of Ind AS Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI").

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of the reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial with reference to these Ind AS standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those standards and the Guidance Notes require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether adequate internal financial controls with reference to these Ind AS standalone financial statements was established and maintained as if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these Ind AS standalone financial statements and their operating effectiveness. Our audit of internal financial controls with respect to Ind AS standalone financial statements included obtaining an understanding of internal financial controls with reference to these Ind AS standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors judgement, including the assessment of the risks of material misstatement of

the Ind AS standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these Ind AS standalone financial statements.

Meaning of Internal Financial Controls with Reference to these Ind AS Standalone Financial Statements

A Company's internal financial controls with reference to Ind AS standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of the financial reporting and the preparation of the Ind AS standalone financial statements for external purposes with accordance with generally accepted accounting principles. A company's internal financial controls with reference to Ind AS standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Ind AS Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Ind AS Standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, adequate internal financial controls with reference to Ind AS Standalone Financial Statements and such internal financial controls with reference to Ind AS Standalone Financial Statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Statement of Changes in Equity for year ended March 31, 2024

(a) Equity share capital

Equity shares of Rs.10 each issued, subscribed and fully paid up

	(₹ in Lakh)	
	March 31, 2024	March 31, 2023
	Nos.	Amount
At the beginning of the year	1,48,82,605	1,488.26
Changes during the year	-	-
At the end of the year	1,48,82,605	1,488.26

b. Other Equity

	(₹ in Lakh)				
	Securities premium	Capital reserve	General reserve	Retained earnings	Total
Balance as at April 01, 2022	293.81	970.81	3,464.43	14,362.00	19,091.05
Profit for the year	-	-	-	(14,829.32)	(14,829.32)
Other comprehensive income/(loss)	-	-	-	(6.90)	(6.90)
Dividend paid	-	-	-	(148.83)	(148.83)
Balance as at March 31, 2023	293.81	970.81	3,464.43	(623.05)	4,106.00
(Loss)/Profit for the year	-	-	-	1,26,045.24	1,26,045.24
Other comprehensive income/(loss)	-	-	-	27.66	27.66
Dividend paid	-	-	-	-	-
Balance as at March 31, 2024	293.81	970.81	3,464.43	1,25,449.85	1,30,178.90

Securities premium - This reserve is used to record premium on issue of shares and can be utilised only for limited purposes in accordance with the provisions of the Companies Act, 2013.

General reserve - Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year. Consequent to introduction of Companies Act 2013, the requirement to mandatorily

transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of Companies Act, 2013.

Retained earnings - Retained earnings are the profits/(loss) that the Company has earned/incurred till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings include re-measurement loss/(gain) on defined benefit plans, net of taxes that will not be reclassified to Statement of Profit and Loss.

The Company has made investment of Rs. 601.00 lakhs and given loans of Rs. 5,645.56 lakhs to its wholly owned subsidiary, Manipal Natural Private Limited ("Subsidiary Company") as of 31 March 2024. The Subsidiary Company has started its commercial operations from FY 2021-22. Currently, the subsidiary Company operations are in losses as its in initial years of business operations. Though there exists uncertainty on recovery of such loans and investments as at March 31, 2024, the management is confident of obtaining new revenue contracts and profitable operations in near future.

Further Management has assessed the value in use of the other subsidiaries and its step down subsidiaries and other investment considering the expected volume of sales, margins earned, profitability and net worth of such companies. Based on the analysis Management is of the opinion that presently there is no impairment in the carrying value of the above investments.

Total	269.22	361.56	1,723.61	281.44

a) Capital advances includes the following :

i) During the year 2013-2014, the Company had paid an advance of Rs. 3,305.61 lakhs to Maharashtra Apex Corporation Limited (MRACL) (a related party) for purchase of land. Further paid an advance of Rs. 1,222.76 lakhs during the FY 2023-2024. In an earlier year, the Honorable Karnataka High Court (The court) had vide its order dated October 08, 2004 stated that sale of land can be carried out only with its permission. Subsequently, the court vide its order dated April 20, 2012 accorded its consent for the sale of land to Kurlon Limited. Considering the uncertainty and delay in transfer of land, the Company has created provision for doubtful advances. Refer note 30(A).

Notes to the Standalone Financial Statements for the year ended March 31, 2024

32. Segment reporting

The Company primarily is in the business of manufacture, purchase and sale of mattress, foam and related products. The Company does not distinguish revenues and expenses between different businesses in its internal reporting and reports costs and expenses by nature as a whole. The CODM reviews the results when making decision about allocating resources and assessing performance of the Company as a whole and hence, the Company has only one reportable segment. The Company operates and manages its business as a single segment. As the Company's long-lived assets are all located in India and the Company's revenues are derived from India, no geographical information is presented.

Notes to the Standalone Financial Statements for the year ended March 31, 2024

35. Leases

Short-term leases and lease of low-value assets

The Company also has certain leases with lease terms of 12 months or less and leases of properties with low value. The Company applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases. Rental expenses of Rs. 2.76 lakhs (March 31, 2022: Rs. 13.31 lakhs) have been recognised in the statement of profit and loss.

36. Contingent liabilities and capital commitments

Contingent liabilities

(₹ in Lakh)

	As at March 31, 2024	As at March 31, 2023
Claims against the Company not acknowledged as debts		
- Sales tax disputed demands under appeal not provided	1,801.52	1,875.92
- Income tax disputed under appeal not provided	44.02	44.02
- Central Excise disputed under appeal not provided	3,833.68	-
- Corporate Guarantee given by the Company to Bankers on behalf of the third parties	3,950.00	24,579.00

The Company is contesting these demands and the management, based on the advise from its tax consultants, believes that its position will likely be upheld in the appellate process. No expense has been accrued in the financial statements for these demands raised as of March 31, 2024. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the Company's financial position and results of operations.

Capital commitments

(₹ in Lakh)

	As at March 31, 2024	As at March 31, 2023
Capital commitments (net of advances)	-	282.04

37. Corporate social responsibility

As per Section 135 of the Companies Act, 2013, a Corporate Social Responsibility (CSR) committee has been formed by the Company. The primary function of the Committee is to assist the Board of Directors in formulating a CSR Policy and review the implementation and progress of the same from time to time. The CSR policies focus on enhancing the quality of life and economic well being of the communities in accordance with the Schedule VII of the Companies Act, 2013.

(₹ in Lakh)

	As at March 31, 2023	As at March 31, 2022
Gross amount required to be spent by the Company during the year	1.48	0.30

Amount spent during the year ended March 31, 2024

(₹ in Lakh)

	In cash	Yet to be paid in cash	Total
Construction/acquisition of assets	-	-	-
On purpose other than above	100.12	-	100.12

Amount spent during the year ended March 31, 2023

	In cash	Yet to be paid in cash	Total
Construction/acquisition of assets	-	-	-
On purpose other than above	3.76	-	3.76

In case of Section 135(5) (Other than ongoing projects)

(₹ in Lakh)

	As at March 31, 2024	As at March 31, 2023
Opening balance	0.09	(3.37)
Amount required to be spent during the year	1.48	0.30
Amount spent during the year	100.12	3.76
Closing balance	98.73	0.09

The Company does not have any ongoing project as per section 135(6) of the Companies Act, 2013.

FINANCIAL Statements

Notes to the Standalone Financial Statements for the year ended March 31, 2024

38. Employee benefits

Defined contribution plans

The Company makes contributions for qualifying employees to Provident Fund, Employee state insurance and labour welfare fund. During the year, the Company recognised Rs. 15.84 lakhs (March 31, 2023 : Rs 24.55 lakhs) towards Provident fund contributions, Rs 1.79 lakhs (March 31, 2023 : Rs 3.12 lakhs) towards Employee State Insurance scheme contributions and Rs. Nil (March 31, 2023 : Rs NIL) lakhs towards Labour Welfare fund.

Post-employment obligation - Gratuity

The Company has a defined benefit gratuity plan as per the Payment of Gratuity Act, 1972 ('Gratuity Act') under which an employee who has completed five years of service is entitled to specific benefit. The amount of benefit provided depends on the employee's length of service and salary at retirement/termination date.

The following tables summarises the amounts recognised in the standalone financial statements :

Balance Sheet			(₹ in Lakh)
	As at March 31, 2024	As at March 31, 2023	
Defined benefit obligation	18.05	109.68	
Plan assets	22.84	59.41	
Net liability	(4.79)	50.27	
Current	(4.78)	50.27	
Non-current	-	-	

Changes in the present value of defined benefit obligation			(₹ in Lakh)
	As at March 31, 2024	As at March 31, 2023	
Balance at the beginning of the year	109.68	86.08	
Service cost	3.78	9.18	
Interest cost	8.16	6.42	
Remeasurements - Actuarial loss/(gain)	(103.57)	8.72	
Benefit paid	-	(0.72)	
Balance at end of the year	18.05	109.68	

Changes in the fair value of plan assets			(₹ in Lakh)
	As at March 31, 2024	As at March 31, 2023	
Balance at the beginning of the year	59.41	56.42	
Contributions made	22.71	0.35	
Interest income	5.27	4.21	
Payments	-	(0.73)	
Actuarial gain/(loss)	(64.55)	(0.84)	
Balance at end of the year	22.84	59.41	

Statement of profit and loss			(₹ in Lakh)
	As at March 31, 2024	As at March 31, 2023	
Service cost	3.78	9.18	
Interest cost net of income	2.89	2.21	
Total	6.67	11.39	

Notes to the Standalone Financial Statements for the year ended March 31, 2024

Other comprehensive (income)/loss			(₹ in Lakh)
	As at March 31, 2024	As at March 31, 2023	
Remeasurements - Actuarial loss/(gain)	(103.57)	8.72	
Remeasurements - Actuarial gain/(loss) on plan asset	64.55	0.84	
Total	(39.02)	9.56	

Principal assumptions used in determinining defined benefit obligation			(₹ in Lakh)
	As at March 31, 2024	As at March 31, 2023	
Discount rate	7.21%	7.44%	
Expected return on plan assets	7.44%	7.49%	
Salary escalation	10% for 5 years 7% thereafter	10% for 5 years 7% thereafter	
Employee turnover	10.00%	10.00%	

38. Employee benefits (Contd.)

The categories of plan assets as a percentage of the fair value of total plan assets are as follows :

			(₹ in Lakh)
	As at March 31, 2024	As at March 31, 2023	
Investment with insurance companies	100.00%	100.00%	

The Company assesses these assumptions with its projected long-term plans of growth and prevalent industry standards. The discount rate is based on the government securities yield.

Sensitivity analysis of significant assumptions

The following table presents a sensitivity analysis to one of the relevant actuarial assumptions, holding other assumptions constant, showing how the defined benefit obligation would have been affected by changes in the relevant actuarial assumptions that were reasonably possible at the reporting date.

			(₹ in Lakh)
	As at March 31, 2024	As at March 31, 2023	
Discount rate			
0.5% increase	(0.58)	(4.95)	
0.5% decrease	0.61	5.33	
Salary escalation			
0.5% increase	0.58	5.13	
0.5% decrease	(0.56)	(4.81)	
Employee turnover			
0.5% increase	-	(0.29)	
0.5% decrease	-	0.30	

FINANCIAL Statements

Notes to the Standalone Financial Statements for the year ended March 31, 2024

Maturity profile of defined benefit obligation

(₹ in Lakh)

	As at March 31, 2024	As at March 31, 2023
Within 1 year	0.71	7.71
1 - 2 year	1.01	8.05
2 - 3 year	0.62	8.66
3 - 4 year	3.42	5.50
4 - 5 year	0.31	8.89
5 - 6 years	2.73	19.61
6 years onwards	9.25	54.83

The average duration of the defined benefit obligation at the end of the reporting year is 11.31 years (March 31, 2021 : 10.9 years).

39. Financial instruments

All financial assets and liabilities for which fair value is measured or disclosed in these standalone financial statements are categorised within the fair value hierarchy as below, based on the lowest level input that is significant to the fair value measurement as a whole :

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The carrying values and fair value measurement hierarchy of the Company's financial assets and financial liabilities are as below :

(₹ in Lakh)

	March 31, 2024		March 31, 2023	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets measured at fair value through profit and loss				
Non current assets				
Investments	15,291.50	15,514.52	221.04	221.04

Notes to the Standalone Financial Statements for the year ended March 31, 2024

40. Financial risk management objectives and policies

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse and set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The Company's Board of Directors is assisted in its oversight role by the internal audit who undertakes regular reviews of risk management controls and procedures, the results of which are reported to the Board of Directors. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

(a) Market risk

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates which will affect the Company's income or the value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency payables.

i. Currency risk

The Company does not have any exposure to currency risk as at March 31, 2024 and March 31, 2023.

ii. Interest rate risk

Interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of

fluctuations in the interest rates. The Company's borrowings are at fixed interest rate.

40. Financial risk management objectives and policies (contd.)

(b) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables, loans and other assets. Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating review and individual credit limits are defined in accordance with this assessment. The Company regularly monitors its outstanding customer receivables.

An impairment analysis is performed at each reporting date on trade receivables by lifetime expected credit loss method based on provision matrix. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Cash and cash equivalents and other bank balances are neither past due nor impaired. Cash and cash equivalents include short-term highly liquid fixed deposits with banks which having maturity less than three months.

Since the company collects amounts prior to fulfilment of performance obligation, no allowances for expected credit loss created as on March 31, 2024 and March 31, 2023.

(₹ in Lakh)

	Investments		Loans and other advances		Capital Advances	
	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
At the beginning of the year	5.00	5.00	6,773.11	358.35	3,350.61	3,350.61
Allowance created/(reversed) during the year	-	-	685.61	6,414.76	1,222.76	-
At the end of the year	5.00	5.00	7,458.72	6,773.11	4,573.37	3,350.61

(C) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when

they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The table below provides details regarding the undiscounted contractual maturities of financial liabilities:

FINANCIAL Statements

Notes to the Standalone Financial Statements for the year ended March 31, 2024

	(₹ in Lakh)			
	Less than 1 year	1 - 5 years	More than 5 years	Total
March 31, 2024				
Borrowings	-	-	-	-
Trade payables	1,222.92	-	-	1,222.92
Other financial liabilities	129.89	-	-	129.89
Total	1,352.81	-	-	1,352.81
March 31, 2023				
Borrowings	641.79	1,600.74	-	2,242.53
Trade payables	826.15	-	-	826.15
Other financial liabilities	21,242.02	-	-	21,242.02
Total	22,709.96	1,600.74	-	24,310.70

The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, no significant liquidity risk is perceived.

Notes to the Standalone Financial Statements for the year ended March 31, 2024

(b) Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries except as described below:

Kurlon Trading & Invest Management Private Limited (KTIMPL), one of the wholly owned subsidiaries of the Company, is formed as a special purpose vehicle to purchase shares in Kurlon Enterprise Limited held by India Business Excellence Fund (a Motilal Oswal Private Equity). KTIMPL has availed loans from financial institutions (Bajaj Finance Limited and Kotak Mahindra Investments Limited) of Rs. 20,000 lakhs for purchasing such shares. The Company has provided guarantee and mortgaged certain immovable properties towards sanction of loans. The principal repayment and interest service is funded by the Company to KTIMPL in the form of advances in the nature of loans. As on March 31, 2023, KTIMPL has outstanding balance of Rs. 17,617.30 lakhs to such financial institutions. Subsequent to year end, KTIMPL has transferred its shares held in Kurlon Enterprise Limited to Sheela Foam Limited for consideration of Rs. 13,314.17 lakhs. Accordingly, the Company has provided for the shortfall arising on account of repayment of liabilities by KTIMPL as provision for guarantee loss. Also refer note 45.

(vi) The Company have not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

(a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or

(b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries,

(vii) The Company have not entered into any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the period in the tax assessments

under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

(viii) The Company have not entered into any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

(ix) The Company has its servers physically located in India and does not have system for daily backup of books of accounts in electronic mode. The management is taking steps to ensure that there is a backup server in India and process for daily backup is defined as required under applicable provisions of the Companies Act, 2013.

(x) The Company registered in India have used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software, except that audit trail feature is not enabled at the database level in relation to SAP accounting software. Further no instance of audit trail feature being tampered with was noted in respect of the accounting software.

44. Discontinued operations

On October 20, 2023 the Company has transferred one of the factory situated at Gwalior along with related assets and liabilities as a Going concern to M.s Kurlon Enterprise Limited. As a result the operations of Gwalior factory were classified as discontinued operations during the period. The business represented the Company's mattress manufacturing segment. Being a discontinued operation, that segment is no longer presented in the segment note.

The Gwalior factory business for the year are presented below

	As at March 31, 2024	As at March 31, 2023
Revenue from contracts with customers	4812.79	8632.21
Other Income	44.82	22.87
Expenses	(4,295.50)	(8,637.42)
Finance costs	(0.16)	(0.91)
Depreciaion	(168.22)	(291.44)
Profit/(loss) before tax from a discontinued operation	393.73	(274.69)
Tax (expenses)/income:	(114.65)	-
Profit/(loss) for the period from a discontinued operation	279.08	(274.69)

* Up to October 20, 2023

The company has transferred all assets and liabilities pertaining to Discontinued operations to M/s Kurlon entierprise Limited on October 20, 2023 Hence there are no assets and liabilities attributable to discontinued operations held by the company as on March 31, 2024.

45. Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, securities premium and all other equity reserves. The primary objective of the Company's capital management is to maximize the shareholders value.

The Company manages its capital structure

and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or may issue new shares. The Company includes within net debt, borrowings net of cash and cash equivalents and other bank balances.

	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Borrowings	-	2,242.53
Less: Cash and cash equivalents and other bank balances	(87,639.59)	(114.58)
Net debt (A)	(87,639.59)	2,127.95
Equity	1,31,667.16	5,594.26

FINANCIAL Statements

Notes to the Standalone Financial Statements for the year ended March 31, 2024

1. Corporate information

Kanara Consumer Products Limited (formerly known as Kurlon Limited) ("the Company") was incorporated under the name and style of "Karnataka Coir Products Limited" on February 09, 1962, and commenced commercial operations during October 1965. The name of the Company was changed to "Karnataka Consumer Products Limited" with effect from October 09, 1980. On December 08, 1995, the name of the company was changed from Karnataka Consumer Products Limited to "Kurlon Limited". Further, effective June 14, 2023 the name of the Company has been changed to "Kanara Consumer Products Limited". The Company operates in diverse areas such as Rubberized coir, Latex Foam, Polyurethane foam, Spring Mattresses, Furniture, Furnishings etc. The company also operates in real estate business as Developers, Builders, Managers, Operators, Hirers and Dealers of all kinds of immovable properties, including but not limited to that of lands, buildings, farms, cinemas, hotels and cold stores and carry on all incidental or allied activities and business as are usually carried on by Builders, Managers, Operators, Hirers and Dealers etc.

The Company's standalone financial statements for the year ended March 31, 2024 were approved by Board of Directors on September 04, 2024.

2. Basis of preparation

The standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable.

This note provides a list of the material accounting policies adopted in the preparation of the standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

The standalone financial statements have been prepared on an accrual basis under the historical cost convention except for the following that are measured at fair value as required by relevant Ind AS:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

These standalone financial statements are presented in Indian Rupee, which is also functional currency of the Company. All the values are rounded off to the nearest lakhs, unless otherwise indicated.

The Company has prepared the standalone financial statements on the basis that it will continue to operate as a going concern.

(a) Measurement of fair values

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Notes to the Standalone Financial Statements for the year ended March 31, 2024

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the standalone financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

(b) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

(c) Use of estimates and judgements

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and liabilities at the date of the standalone financial statements and reported amounts of income and expenses during the period. Actual results may differ from these estimates.

Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding estimate. Changes in estimate are reflected in the standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the standalone financial statements.

Judgements:

Information about judgements made in applying accounting policies that have the most significant

FINANCIAL Statements

Notes to the Standalone Financial Statements for the year ended March 31, 2024

effects on the amounts recognised in the standalone financial statements is included in the following notes:

Note 3.1 and Note 3.2 - Useful life of property, plant and equipment and intangible assets.

Note 3.8 - Measurement of defined benefit obligations: key actuarial assumptions.

Note 3.9 - Provision for income tax and valuation of deferred tax assets/liabilities.

Note 3.14 - Valuation of financial instrument; and

Note 3.15 - Lease classification and determination of lease term.

Assumption and estimation uncertainties :

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment is included in the following notes:

Note 2(a) - Fair value measurement.

Note 3.3 - Impairment of financial assets.

Note 3.3 - Impairment test of non-financial assets; key assumptions underlying recoverable amounts including the recoverability of expenditure on internally-generated intangible assets.

Note 3.9 - Recognition of deferred tax assets: based upon likely timing and the level of future taxable profits together with future tax planning strategies.

Note 3.11 - Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources.

3. Material Accounting Policies

3.1. Property, plant and equipment

Asset description	Useful life in years as per Schedule II	Useful life as per Company
Buildings	30	30
Plant and equipment	15	10 and 15
Furniture and fixtures	10	10
Office equipment	5	5
Vehicles	8	8
Computers	3 and 6	3 and 6

Recognition and measurement

Property, plant and equipment are stated at historical cost less accumulated depreciation, and accumulated impairment loss, if any. Historical cost comprises of the purchase price including duties and non-refundable taxes, borrowing cost if capitalisation criteria's are met, directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management and initial estimate of decommissioning, restoring and similar liabilities.

Capital work in progress is stated at cost, net of accumulated impairment loss if any.

Subsequent costs related to an item of property, plant and equipment are recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are recognised in statement of profit and loss during the reporting period when they are incurred.

An item of property, plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gains or losses arising from derecognition are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Notes to the Standalone Financial Statements for the year ended March 31, 2024

The assets residual values and useful life are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

3.2. Intangible assets

Recognition and measurement

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

Asset description	Useful life in years
Computer software	6

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of each financial year and the amortisation period is revised to reflect the changed pattern, if any.

Subsequent costs related to intangible assets are recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

3.3. Impairment

Impairment of financial assets

In accordance with Ind AS - 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, and bank balance

b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS - 115.

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

Trade receivables or contract revenue receivables

An item of intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gains or losses arising from derecognition are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

The Company amortises intangible assets with a finite useful life using the straight-line method over the following periods:

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Company recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the company expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant

increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's cash generating unit's (CGU's) to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. In any case, this growth rate does not exceed

the long-term average growth rate for the products, industries, or country or countries in which the Company operates, or for the market in which the asset is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to other comprehensive income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or cash generating unit's (CGU's) recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

3.4. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

3.5. Foreign currency transactions

i) Functional and presentation currency:

Items included in the standalone financial statements of the company are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The standalone financial statements are presented in Indian rupee (INR), which is functional and presentation currency of the Company.

ii) Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in statement of profit and loss.

3.6. Revenue recognition

Revenue from contracts with customer is recognised upon transfer of control of promised goods/services to customers at an amount that reflects the consideration to which the Company expect to be entitled for those goods/services.

To recognize revenues, the Company applies the following five-step approach:

- Identify the contract with a customer;
- Identify the performance obligations in the contract;
- Determine the transaction price;
- Allocate the transaction price to the performance obligations in the contract; and
- Recognise revenues when a performance obligation is satisfied.

Revenue is measured at the fair value of the consideration received or receivable net of returns and allowances, trade discounts and volume rebates, taking into account contractually defined terms of payment excluding taxes or duties collected on behalf of the government.

Variable consideration

If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The

variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Trade receivable

A receivable is recognised if an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets.

Interest income

Interest income is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Interest income is included under the head 'other income' in the statement of profit and loss.

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate, which is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in the statement of profit and loss.

Dividend income

Dividend income on investments is accounted when the right to receive the dividend is established, which is generally when shareholders approve the dividend. Dividend income is included under the head "Other income" in the statement of profit and loss account.

3.7. Interest income or interest expense

Interest income or expense is recognised using the effective interest method. The 'effective interest rate'

FINANCIAL Statements

Notes to the Standalone Financial Statements for the year ended March 31, 2024

is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument to the gross carrying amount of the financial asset or the amortised cost of the financial liability. In calculating interest income and expense, the effective interest rate is applied to the gross carrying amount of the asset (when the asset is not credit-impaired) or to the amortised cost of the liability.

3.8. Employee benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current financial liabilities in the balance sheet.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

Other long-term employee benefit obligations

The liabilities for leave balance are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields on government bonds at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Post-employment obligations

The company operates the following post-employment schemes:

- (a) defined benefit plans - gratuity, and
- (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have term approximating the term of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Such accumulated re-measurement balances are never reclassified into the statement of profit and loss subsequently.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service costs.

Defined contribution plan

Retirement benefit in the form of provident fund scheme, ESI, Superannuation, are the defined

Notes to the Standalone Financial Statements for the year ended March 31, 2024

contribution plans. The Company has no obligation, other than the contribution payable. The Company recognizes contribution payable to these schemes as an expenditure, when an employee renders the related service.

3.9. Income taxes

Income tax comprises of current tax and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to an item recognised directly in the other comprehensive income.

Current tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in other comprehensive income (OCI) or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts, and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

- In respect of taxable temporary differences associated with investments in subsidiaries, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

- In respect of deductible temporary differences associated with investments in subsidiaries deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on

FINANCIAL Statements

Notes to the Standalone Financial Statements for the year ended March 31, 2024

tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Tax benefits acquired as part of a business combination, but not satisfying the criteria for separate recognition at that date, are recognised subsequently if new information about facts and circumstances change. Acquired deferred tax benefits recognised within the measurement period reduce goodwill related to that acquisition if they result from new information obtained about the facts and circumstances existing at the acquisition date. If the carrying amount of goodwill is zero, any remaining deferred tax benefits are recognised in statement of profit and loss.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

3.10. Earnings/(loss) per share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the period (including treasury share).

The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Ordinary shares that will be issued upon the conversion of a mandatorily convertible instrument are included in the calculation of basic earnings per share from the date the contract is entered into.

3.11. Provision and contingent liabilities

Provisions

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses it in the standalone financial statements, unless the possibility of an outflow of resources embodying economic benefits is remote.

3.12. Cash and cash equivalents

Cash and cash equivalents in the balance sheet and cash flow statement comprise cash at banks and on

Notes to the Standalone Financial Statements for the year ended March 31, 2024

hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the Standalone Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management

3.13. Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

3.14. Financial instruments

Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at either at amortised cost, FVTPL or fair value in other comprehensive income (FVOCI). Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and

- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at investment level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for each of such investments and the operation of those policies in practice.
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

FINANCIAL Statements

Notes to the Standalone Financial Statements for the year ended March 31, 2024

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Company considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Company's claim to cash flows from specified assets (e.g. non-recourse features).

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in statement of profit and loss.

Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in statement of profit and loss. Any gain or loss on derecognition is recognised in statement of profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss.

Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expired. The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the statement of profit and loss.

Notes to the Standalone Financial Statements for the year ended March 31, 2024

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

3.15. Leases

The Company has lease contracts for various buildings used in its operations. Lease terms generally ranges between 3 and 9 years.

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in Note 3.3 for policy on impairment of non-financial assets.

Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be

FINANCIAL Statements

Notes to the Standalone Financial Statements for the year ended March 31, 2024

low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Extension and termination option

The Company has several lease contracts that include extension and termination options. These options are negotiated by management to provide flexibility in managing the leased-asset portfolio and align with the Company's business needs. Management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised. Management have not considered any future cash outflow for which they are potentially exposed arising due to extension and termination options.

The Company as a lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Lease income from operating lease is recognized on a straight-line basis over the term of the relevant lease.

3.16. Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

- Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity but excluding borrowing costs. Cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

3.17. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the

chief operating decision maker (CODM). The Company has identified one reportable segment based on the dominant source, nature of risks and return and the internal organisation and management structure and for which discrete financial information is available. The Executive Management Committee monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. The Company has only one reportable business segment, which is manufacture, purchase and sale of coir, foam and related products which constitutes a single business segment. Accordingly, the amounts appearing in the standalone financial statements relate to the company's single business segment. Refer Note 32 for segment information and segment reporting.

3.18. Use of judgements, estimates and assumptions

The preparation of the standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of asset or liability affected in future periods. The areas involving significant estimates or critical judgements are:

(i) Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment benefit and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate and future salary increases. Due to complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. The mortality rate is based on publicly available

Notes to the Standalone Financial Statements for the year ended March 31, 2024

mortality table in India. The mortality tables tend to change only at interval in response to demographic changes. Further salary increases and gratuity increases are based on expected future inflation rates. Further details about the gratuity obligations are given in Note 38.

(ii) Impairment of financial and non-financial assets:

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period. In case of non-financial assets company estimates asset's recoverable amount, which is higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

3.19. Insurance claims

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

3.20 Changes in Accounting policies and disclosures - New and amended standards

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023 to amend the following Ind AS which are effective for annual periods beginning on or after 1 April 2023. The Company applied for the first-time these amendments.

(a) Definition of Accounting Estimates – Amendments to Ind AS 8

The amendments clarify the distinction between changes in accounting estimates and changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates.

The amendments had no impact on the Company's financial statements.

(b) Disclosure of Accounting Policies – Amendments to Ind AS 1

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments have had an impact on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

(c) Deferred Tax related to Assets and Liabilities arising from Single Transaction - Amendments to Ind AS 12

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases.

As a result of these amendments, the Company has recognised a separate deferred tax asset in relation to its lease liabilities and a deferred tax liability in relation to its right-of-use assets. Since, these balances qualify for offset as per the requirements of paragraph 74 of Ind AS 12, there is no impact in the balance sheet.

The aforesaid amendments are not expected to have any material impact on the Company's standalone financial statements.

3.21 Standards issued but not yet effective

There are no standards that are noticed and not yet effective as on that date.

INDEPENDENT Auditor's Report

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **CONSOLIDATED** Financial Statements

Qualified Opinion

We have audited the accompanying consolidated Financial Statements of Kanara Consumer Products Limited (formerly known as Kurlon Limited) ("the Holding Company"), its subsidiaries and its associate (the Holding Company, its subsidiaries and its associate together referred to as "the Group"), comprising of the consolidated Balance sheet as at March 31, 2024, the Consolidated Statement of Profit and Loss, including the statement of Other Comprehensive Income/(loss), the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended and notes to the consolidated financial statements including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements")

In our opinion and to the best of our information and according the explanation given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, except for the effects of the matters described in the 'Basis of Qualified Opinion' section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group as at March 31, 2024, their consolidated profit including other comprehensive income/(loss), their consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

We draw attention to note 1 to the accompanying consolidated financial statements which describes the fact of non-consolidation of one of Holding Company's associate financial statements. Accordingly, those associate financial statements are not forming part of these consolidated financial statements. Hence, the impact on consolidated statement of profit and loss and carrying value of investment in associate is not quantifiable.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (Sas) as specified under section 143(10) of the Act. Our responsibilities under those Standards are further

described in the "Auditor's Responsibilities for the Audit of the consolidated financial statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Other Information

The Holding company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income/(loss) and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Accounting Standards) Rules

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **CONSOLIDATED** Financial Statements

2015, as amended. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the Companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an audit's report that includes our opinion. Reasonable assurance is a high level of assurance but is not guarantee that an audit conducted in accordance with the SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the SAs, we

exercise professional judgment and maintain professional skepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial statements of the entities or business activities within the Group of which we are the

INDEPENDENT Auditor's Report

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **CONSOLIDATED** Financial Statements

independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors such other auditors remain responsible for the direction supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

a) The consolidated financial statements of the Group for the year ended March 31, 2023, included in these consolidated financial statements, have been audited by the predecessor auditor who expressed a unmodified opinion on those statements on November 21, 2023.

b) We did not audit the financial statements and other financial information, in respect of nine subsidiaries, whose financial statements include total assets of Rs. 4,272.29 lakhs as on March 31, 2024, and total revenues of Rs 44,575.86 lakhs and net cash outflows of Rs 430.41 lakhs (without giving effect to elimination of intercompany transactions) for the year ended on that date. These financial statements and other financial information have been audited by other auditors, whose financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect these subsidiaries and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of such other auditors.

c) We did not audit the financial statements and other financial information, in respect of three subsidiaries, whose financial statements include total assets of Rs. Nil as on March 31, 2024, and total revenues of Rs 70.58 lakhs and net cash outflows of Rs 7.47 lakhs (without giving effect to elimination of intercompany transactions) for the year ended on that date. These financial statements and other financial information have not been audited and whose unaudited financial statements and other unaudited financial information have been furnished to us by the management. Our opinion, in so far as it relates amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries is based solely on such unaudited financial statements and other unaudited financial information. In our opinion and according to the information and explanations given to us by the management, these financial statements and other financial information is not material to the Group.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certificate by the management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiary companies as noted in the 'other Matter Paragraph' we give in the 'Annexure 1' a statement on the matters specified in paragraph 3(xxi) of the Order.

2. As required by Section 143(3) of the Act, except for the effects of matters described in the Basis for Qualified Opinion paragraph above, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the 'other matters' paragraph we report, to the extent applicable, that:

a. Except for the effects of the matters described in the Basis of Qualified Opinion Paragraph, we//the other

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **CONSOLIDATED** Financial Statements

auditors whose report we have relied upon have sought and obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.

b. In our opinion, except of the effects of matters described in the Basis of Qualified Opinion paragraph above, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors except that the Holding Company and six of its subsidiary companies does not have server physically located in India for the daily back up of the books of account and other books and papers maintained in electronic mode and for the matters stated in the paragraph (j)(vi) below on the reporting under Rule 11 (g);

c. Except for the effects of matters described in the Basis of Qualified Opinion paragraph, the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Consolidated Statement of Other Comprehensive Income/(Loss), the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;

d. Except for the effects of the matters described in the Basis of Qualified Opinion paragraph, in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with companies (Indian Accounting Standards) Rules 2015, as amended;

e. The Qualification relating to the maintenance of accounts and other matters connected therewith are stated in the Basis of Qualified Opinion paragraph above and paragraph 2 (b) above on reporting under Section 143(3)(b) and paragraph (j) (vi) below on reporting under Rule 11(g);

f. Except for the effects of the matters described in the Basis of Qualified Opinion paragraph, on the basis of the written representations received from the directors of the Holding Company and three subsidiary Companies as on March 31, 2024, taken on record by the Board of Directors of the Holding Company and such subsidiary Companies, none of the directors of the Holding

Company and subsidiary Companies is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act;

g. Except for the effects of the matters described in the Basis of Qualified Opinion, with respect to the adequacy of the internal financial controls with reference to these consolidated financial statements of the Holding Company and its subsidiary companies, and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;

h. Except for the effects of the matters described in the Basis of Qualified Opinion, in our opinion and based on the consideration of reports of other statutory auditors of subsidiaries, the managerial remuneration for the year ended March 31, 2024 has been paid/provided by the Holding Company and its subsidiaries to their directors in accordance with provisions of section 197 read with Schedule V to the Act to the extent applicable; and

i. Except for the effects of the matters described in the Basis of Qualified Opinion, With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanation given to us and based on the consideration of the report of the other auditors on separate financial statements and other financial information of subsidiaries as noted in the 'Other Matter' paragraph;

(i) The consolidated financial statements disclose the impact of pending litigations on consolidated financial position of the Group- Refer note 39 to the consolidated financial statements;

(ii) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

(iii) Following are the instances of delay in transferring amounts required to be transferred to the Investor Education and Protection Fund ('IEPF') by the Group;

Financial year	Amount involved (Rs lakhs)	Date of Payment	Number of Day's of Delay
2007-08	0.32	Not paid	Not paid
2008-09	0.75	Not paid	Not paid
2010-11	0.01	Not paid	Not paid

INDEPENDENT Auditor's Report

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **CONSOLIDATED** Financial Statements

iv. a) Except for the effects of matters described in the Basis of Qualified Opinion paragraph above, the respective managements of the Holding Company and its subsidiaries which are companies whose financial statements have been audited under the Act have represented to us and its other auditors of such subsidiaries, respectively, that to the best of its knowledge and belief, except as disclosed in the note 46(v) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sourced or kind funds) by the Holding Company or any of such subsidiaries to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee security or the like on behalf of the Ultimate Beneficiaries.

(b) Except for the effects of matters described in the Basis of Qualified Opinion paragraph above, the respective managements of the Holding Company and its subsidiaries which are companies and whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, respectively, that to the best of its knowledge and belief, as disclosed in the note 46(vi) to the consolidated financial statements, no funds have been received by the respective Holding Company or any of such subsidiaries from any persons or entities, including foreign entities ("Funding Parties"), with the understanding whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries and

(c) Except for the effects of matters described in the Basis of Qualified Opinion paragraph above, based on the audit procedures that have been considered reasonable and appropriate in the circumstance performed by us and that performed by the auditors of the subsidiaries and whose financial statements haven audited under Act, nothing has come to our or other auditor's notice that has caused us or the other auditor's to believe that the representations under sub-clause (a) and (b) contain any material misstatement.

(v) As disclosed in note 15(f) to the consolidated financial statements no dividend has been declared and paid during the year by the Holding Company.

As stated in note 15(f) to the consolidated financial statements the Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

(vi) Except for the effects of matters described in the Basis of Qualified Opinion paragraph above, As stated in note 46(viii) to the Consolidated financial statements, the respective managements of the Holding Company and its subsidiaries which are companies and whose financial statements have been audited under the Act, have represented to us and the other auditors of such subsidiaries, the Holding Company and its subsidiaries has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and we are unable to comment whether the same has operated throughout the year for all relevant transactions recorded in the software in the absence of availability of audit log backups. The audit trail feature is not enabled at the database level insofar as it relates to accounting softwares. We are unable to comment whether the audit trail feature being tampered or not during the year in the absence of availability of audit log backups.

ANNEXURE '2' REFERRED TO IN PARAGRAPH UNDER THE HEADING "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" OF OUR REPORT EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF KANARA CONSUMER PRODUCTS LIMITED (FORMERLY KNOWN AS KURLON LIMITED)

Report on Internal Financial Controls under Clause(I) of Sub-Section 3 of Section 143 of the Companies Act,2013("the Act")

Limited (formerly known as Kurlon Limited) ("the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company, as of that date.

Management's Responsibility for Internal Financial Controls

INDEPENDENT Auditor's Report

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **CONSOLIDATED** Financial Statements

The respective Board of Directors of the Holding Company, its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's Internal financial Controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those standards and the Guidance Notes require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether adequate internal financial controls with reference to these standalone financial

statements was established and maintained as if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with respect to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls With Reference to Consolidated Financial Statements

A Company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of the financial reporting and the preparation of the consolidated financial statements for external purposes with accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and

To the Members of Kanara Consumer Products Limited (formerly known as Kurlon Limited)
Report on the Audit of the **CONSOLIDATED** Financial Statements

procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of assets of the company;(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, has maintained, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

a)Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to consolidated financial statements insofar as it relates to nine subsidiary companies is based on the corresponding report of the auditors of such companies.

b)We draw reference to Basis of Qualified Opinion paragraph mentioned in our audit report, Our report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to consolidated financial statements does not cover one of the Holding Company's associate company as the same has not consolidated as a part of these consolidated financial statements.

Securities premium - This reserve is used to record premium on issue of shares and can be utilised only for limited purposes in accordance with the provisions of the Companies Act, 2013.

General reserve - Under the erstwhile Companies Act 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year. Consequent to introduction of Companies Act 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general

reserve can be utilised only in accordance with the specific requirements of Companies Act, 2013.

Retained earnings - Retained earnings are the profits/(loss) that the Company has earned/incurred till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. Retained earnings include re-measurement loss/(gain) on defined benefit plans, net of taxes that will not be reclassified to Statement of Profit and Loss.

Changes in accounting policy or reclassification - Security premium and dividends pertaining to non controlling interest has been reclassified to retained earnings and Non controlling interest respectively.

The accompanying notes are an integral part of the Consolidated financial statements.

The Group does not have any projects under intangible assets under development whose completion is overdue or has exceeded its cost compared to its original plan.

Goodwill of Rs. 2,103.16 lakhs was recognised upon amalgamation of Spring Air Bedding Company India Limited ('SABCIL') with the one of the subsidiary company

Kurlon Enterprise Limited pursuant to the scheme of amalgamation approved by National Company Law Tribunal ('NCLT'), Mumbai and NCLT, Delhi vide their orders dated March 12, 2020 and May 05, 2020 respectively with an appointed date of April 01, 2018 ('Effective Date').

FINANCIAL Statements

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

In view of the synergies, the subsidiary company including SABCIL has been considered as a single cash generating unit. The Holding Company tests whether goodwill has suffered any impairment on an annual basis. There is no impairment as per the assessment performed by the management at the year end. Management has performed sensitivity analysis around the basic

assumption and have concluded that no reasonable / possible change in key assumptions would cause the recoverable amount lower than the carrying amount of goodwill. In estimating the value in use, the management of Holding Company considered terminal growth rate of 5% and discount rate of 10.19% as assumptions.

Total	339.60	1,934.74	2,280.40	3,668.09

a) Capital advances includes the following :

i) During the year 2013-2014, the Company had paid an advance of Rs. 3,305.61 lakhs to Maharashtra Apex Corporation Limited (MACL) (a related party) for purchase of land. Further paid an advance of Rs. 1,222.76 lakhs during the FY 2023-2024. In an earlier year, the Honorable Karnataka High Court (The court) had vide its order dated October 08, 2004 stated that sale of land can be carried out only with its permission. Subsequently, the court vide its order dated April 20, 2012 accorded its consent for the sale of land to Kurlon Limited. Considering the uncertainty and delay in transfer of land, the Company has created provision for doubtful advances. Refer note 33(A).

12. Inventories (valued at lower of cost and net realizable value)

35. Segment reporting

The Group primarily is in the business of manufacture, purchase and sale of mattress, foam and related products. In addition, certain subsidiaries of the Holding Company are engaged in certain other business which are not material at Group level. Accordingly, the Group reviews revenues and expenses as a whole at Group level and does not distinguish revenues and expenses

between different businesses in its internal reporting. The CODM reviews the results when making decision about allocating resources and assessing performance of the Group as a whole and hence, the Group has only one reportable segment. The Group operates and manages its business as a single segment. As the Group's long-lived assets are all located in India and the Group's revenues are derived from India, no geographical information is presented.

37. Details of dues to micro and small enterprises as defined under the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006.

	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year		
Principal amount due to micro and small enterprises	-	602.72
Interest due on above	-	55.58
	-	658.30
The amount of interest paid by the buyer in terms of section 16 of the MSMED Act 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year	-	-
The amount of interest due and payable for the year of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act 2006.	-	4.29
The amount of interest accrued and remaining unpaid at the end of each accounting year	3.85	33.29
The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006	3.85	37.30

The information given above is to the extent such parties have been identified by the Group on the basis of information disclosed by the suppliers.

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

38. Leases

Short-term leases and lease of low-value assets

The Group also has certain leases with lease terms of 12 months or less and leases of properties with low value. The

Company applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases. Rental expenses of Rs. 359.59 lakhs (March 31, 2023 : Rs. 63.36 lakhs) have been recognised in the statement of profit and loss.

39. Contingent liabilities and capital commitments

Contingent liabilities

	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Claims against the Group not acknowledged as debts		
Disputed demands under appeal not provided		
- Income tax	44.02	1,116.47
- Sales tax	1,801.52	6,169.72
- Excise duty	3,833.68	2,212.13
- GST	-	636.97
- Corporate Guarantee given by the Company to Bankers on behalf of the third parties	3,950.00	24,579.00
Bank guarantee	19.80	-

The Group is contesting these demands and the management based on the advise from its tax consultants, believes that its position will likely be upheld in the appellate process. No expense has been accrued in the financial

statements for these demands raised as of March 31, 2024. The management believes that the ultimate outcome of these proceedings will not have a material adverse effect on the Group's financial position and results of operations.

Capital commitments

	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Capital commitments (net of advances)	-	173.47

40. Corporate social responsibility

As per Section 135 of the Companies Act, 2013, a Corporate Social Responsibility (CSR) committee has been formed by the Group. The primary function of the Committee is to assist the Board of Directors in

formulating a CSR Policy and review the implementation and progress of the same from time to time. The CSR policies focus on enhancing the quality of life and economic well being of the communities in accordance with the Schedule VII of the Companies Act, 2013.

	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023

Amount required to be spent during the year	9.46	217.31
Amount spent during the year	100.12	206.75
Closing balance *	98.73	8.07

* Closing balance represents excess amount spent by the group.

The group does not have any ongoing project as per section 135(6) of the Companies Act, 2013.

41. Employee benefits

Defined contribution plans

The Group makes contributions for qualifying employees to Provident Fund, Employee state insurance and labour welfare fund. During the year, the Group recognised Rs. 31.03 lakhs (March 31, 2023 : Rs 348.23 lakhs) towards Provident fund contributions, Rs 3.79 lakhs (March 31, 2023 : Rs 14.52 lakhs) towards Employee State Insurance scheme contributions and Rs. nil (March 31, 2023 : Rs 0.06 lakhs) lakhs towards Labour Welfare fund.

Post-employment obligation - Gratuity

The group has a defined benefit gratuity plan as per the Payment of Gratuity Act, 1972 ('Gratuity Act') under which an employee who has completed five years of service is entitled to specific benefit. The amount of benefit provided depends on the employee's length of service and salary at retirement/termination date.

The following tables summarises the amounts recognised in the Consolidated financial statements :

Balance Sheet	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Defined benefit obligation	26.95	825.98
Plan assets	42.56	684.77
Net liability	(15.61)	141.21
Current	-	153.24
Non-current	(15.61)	(12.03)

Changes in the present value of defined benefit obligation	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Balance at the beginning of the year	926.07	825.98
Service cost	8.23	96.85
Interest cost	8.56	56.30
Remeasurements - Actuarial loss/(gain)	(104.87)	35.51
Benefit paid	-	(88.57)
Less: Adjustment due to sale of subsidiary	(811.04)	-
Balance at end of the year	26.95	926.07

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

Changes in the fair value of plan assets	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Balance at the beginning of the year	684.77	520.71

Interest income	6.33	41.74
Payments	-	(87.85)
Expenses on plan assets	-	-
Return on plan assets	-	(0.38)
Actuarial gain/(loss)	(65.09)	(1.37)
Less: Adjustment due to sale of subsidiary	(615.58)	-
Balance at end of the year	42.56	684.77

Statement of profit and loss	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Service cost	8.23	98.43
Interest cost net of income	2.23	14.56
Expenses on plan assets	-	0.26
Total	10.46	113.25

41. Employee benefits (continued)

Other comprehensive (income)/loss	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Remeasurements - Actuarial loss/(gain)	(104.87)	35.51
Remeasurements - Actuarial gain/(loss) on plan asset	64.74	1.03
Total	(40.13)	36.54

Principal assumptions used in determinining defined benefit obligation	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Discount rate	7.21%	7.44%
Expected return on plan assets	7.44%	7.49%
Salary escalation	10% for 5 years 7% thereafter	10% for 5 years 7% thereafter
Employee turnover	10.00%	10.00%

The categories of plan assets as a percentage of the fair value of total plan assets are as follows : (₹ in Lakh)

	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2024
Investment with insurance companies	100.00%	100.00%
The group assesses these assumptions with its projected long-term plans of growth and prevalent industry standards. The discount rate is based on the government securities yield.		

FINANCIAL Statements

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

Sensitivity analysis of significant assumptions

The following table presents a sensitivity analysis to one of the relevant actuarial assumptions, holding other

assumptions constant, showing how the defined benefit obligation would have been affected by changes in the relevant actuarial assumptions that were reasonably possible at the reporting date.

	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Discount rate		
1% increase	(1.50)	(54.10)
1% decrease	1.72	61.22
Salary escalation		
1% increase	1.66	57.01
1% decrease	(1.48)	(52.07)
Employee turnover		
1% increase	(0.27)	4.23
1% decrease	(0.28)	(4.66)

Maturity profile of defined benefit obligation

	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Within 1 year	1.14	88.71
1-2 year	1.03	82.84
2-3 year	0.64	88.75
3-4 year	3.44	84.42
4-5 year	0.33	43.93
5-6 year	2.73	248.85
6 years onwards	17.63	258.80

The average duration of the defined benefit obligation at the end of the reporting year is 9.12 to 15.28 years (March 31, 2023 : 9.73 to 16.75 years).

All financial assets and liabilities for which fair value is measured or disclosed in these Consolidated financial statements are categorised within the fair value hierarchy as below, based on the lowest level input that is significant to the fair value measurement as a whole :

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within

Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The carrying values and fair value measurement hierarchy of the Group's financial assets and financial liabilities are as below :

	(₹ in Lakh)			
	March 31, 2024		March 31, 2023	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets measured at fair value through profit and loss

	2,239.80	2,239.80	49,952.39	49,952.39

43. Financial risk management objectives and policies

The Group's risk management policies are established to identify and analyse and set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Group's activities. The Group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The Group's Board of Directors is assisted in its oversight role by the

internal audit who undertakes regular reviews of risk management controls and procedures, the results of which are reported to the Board of Directors. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

(a) Market risk

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates which will affect the Group's income or the value of its financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency payables.

FINANCIAL Statements

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

42. Financial instruments (continued)

i. Currency risk

The Company's exposure to currency risk as at year end is as below :

(₹ in Lakh)

	March 31, 2024			March 31, 2023		
	Currency	Foreign Currency	Rs. Lakhs	Currency	Foreign Currency	Rs. Lakhs
Trade payables	USD	-	-	USD	1,19,988	99.59
	EUR	-	-	EUR	31,113	27.03
Advances from customers	USD	-	-	USD	-	-
Advance to suppliers	USD	-	-	USD	-	-
	EUR	-	-	EUR	-	-
Trade receivables	USD	83.34	0.28	USD	27,814	26.37

(₹ in Lakh)

	As at March 31, 2024	As at March 31, 2023
Basis point	Effect on profit before tax	
+5%	1.17	11.14
-5%	(1.17)	(11.14)

ii. Interest rate risk

Interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in the interest rates. The Group's borrowings are at fixed and floating interest rate and are carried at amortised cost.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's loss before tax is affected through the impact on floating rate borrowings, as follows :

(₹ in Lakh)

	As at March 31, 2024	As at March 31, 2023
Fixed rate instruments		
Financial Liabilities	5,967.48	916.13
Variable rate instruments		
Financial Liabilities	57.37	2,896.11

(₹ in Lakh)

	As at March 31, 2024	As at March 31, 2023
Basis point	Effect on profit before tax	
+1%	(0.57)	(33.87)
-1%	0.57	33.87

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

(b) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables, loans and other assets.

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating review and individual credit limits are defined in accordance with this assessment. The Company regularly monitors its outstanding customer receivables.

An impairment analysis is performed at each

reporting date on trade receivables by lifetime expected credit loss method based on provision matrix. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets.

Cash and cash equivalents and other bank balances are neither past due nor impaired. Cash and cash equivalents include short-term highly liquid fixed deposits with banks which having maturity less than three months.

The movement in respect of allowance for expected credit losses is as follows:

(₹ in Lakh)

	Trade Receivables		Loans and other advances & Other Assets		Other assets	
	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
At the beginning of the year	1,666.42	1,592.89	4,883.11	329.73	-	5.00
Allowance created/(reversed) during the year	92.76	73.53	3,234.98	4,553.38	-	(5.00)
Less Adjustment due to sale of subsidiary	(1,666.42)	-	(276.68)	-	-	-
At the end of the year	92.76	1,666.42	7,841.41	4,883.11	-	-

42. Financial instruments (continued)

(c) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

The table below provides details regarding the undiscounted contractual maturities of financial liabilities : (₹ in Lakh)

	On demand	Less than 1 year	1 - 5 years	More than 5 years	Total
March 31, 2024					
Borrowings	-	330.87	-	-	330.87

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

*On October 20, 2023 the company had sold its investment in subsidiary M/s Kurlon Enterprise Limited (KEL) to M/s Sheela Foams Limited (SFL) as per the terms of Share Purchase agreement (SPA) dated July 17, 2023. Accordingly the Holding Company lost control on KEL and its subsidiaries (Except Sevalal Solar Private Limited, Sirar Dhotre Private Limited and Sirar Solar Private Limited) with effect from October 20, 2023.

#On October 13, 2020 the investment in three subsidiaries namely, Sevalal Solar Private Limited; Sirar Dhotre Private Limited and Sirar Solar Private Limited were sold by the Holding Company.

The Holding Company has acquired 1,980,900 shares in Jitendra Harjivandas Securities Private Limited on March 26, 2024 and increased its stake in the total paid equity shares in Jitendra Harjivandas Securities Private Limited to 48.76%. However the audited financial statements of Jitendra Harjivandas Securities Private Limited is not included the above consolidated financial statements of the Holding Company for the year ended March 31, 2024

The Group's Consolidated financial statements for the year ended March 31, 2024 were approved by Board of Directors on September 04, 2024. The Holding company has prepared the consolidated financial statements of based on the audited financial statements of all the subsidiaries except for the following subsidiaries whose unaudited financial statements were considered for the preparation of the consolidated financial statements.

a) Sevalal Solar Private Limited

b) Sirar Dhotre Solar Private Limited

c) Sirar Solar Energies Private Limited

2. Basis of preparation

The consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable.

The Consolidated financial statements have been prepared on an accrual basis under the historical cost convention except for the following that are measured at fair value as required by relevant Ind AS:

- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)

These consolidated financial statements are presented in Indian Rupee, which is also functional currency of the Group. All the values are rounded off to the nearest lakhs, unless otherwise indicated.

The Group has prepared the Consolidated financial statements on the basis that it will continue to operate as a going concern.

(a) Measurement of fair values

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

‘Fair value’ is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities;

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the Consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

(b) Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current. The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

(c) Use of estimates and judgements

In preparing these consolidated financial statements, management has made judgements, estimates and

assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of income and expenses during the period. Actual results may differ from these estimates.

Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding estimate. Changes in estimate are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

Judgements:

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the consolidated financial statements is included in the following notes:

Note 3.1 - Business combination: Whether the Group has de facto control over an investee;

- Note 3.2 and Note 3.3 - Useful life of property, plant and equipment and intangible assets;

Note 3.9 - Measurement of defined benefit obligations: key actuarial assumptions.

Note 3.10 - Provision for income tax and valuation of deferred tax assets/liabilities.

Note 3.15 - Valuation of financial instrument; and

Note 3.16 - Lease classification and determination of lease term;

Assumption and estimation uncertainties:

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment is included in the following notes:

Note 2(a) - Fair value measurement

Note 3.4 - Impairment of financial assets

Note 3.4 - Impairment test of non-financial assets; key assumptions underlying recoverable amounts including the recoverability of expenditure on internally-generated intangible assets;

Note 3.10 - Recognition of deferred tax assets: based upon likely timing and the level of future taxable profits together with future tax planning strategies;

Note 3.12 - Recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resource.

3. Summary of material accounting policies

3.1. Business Combination:

In accordance with Ind AS 103, the Group accounts for business combinations using the acquisition method when control is transferred to the Group. The consideration transferred for the business combination is generally measured at fair value as at the date the control is acquired (acquisition date), as are the net identifiable assets acquired. Any goodwill that arises is tested annually for impairment. Any gain on bargain purchase is recognised in Other Comprehensive Income ("OCI") and accumulated in equity as capital reserve if there exist clear evidence of the underlying reason for classifying the business combination as resulting in bargain purchase; otherwise the gain is recognised directly in equity as capital reserve. Transaction cost are expensed as incurred, except to the extent related to debt or equity securities.

The consideration transferred does not include amounts related to the settlement of pre-existing relationships with the acquiree. Such amounts are generally recognised in the consolidated statement of profit and loss.

Any contingent consideration is measured at fair value at the date of acquisition. If an obligation to pay contingent consideration that meets the definition of a financial instrument is classified as equity, then it is not remeasured subsequently, and settlement is accounted for within equity. Other contingent consideration is remeasured at fair value at each reporting date and changes in the fair value of the contingent consideration are recognised in the consolidated statement of profit and loss.

If business combination is achieved in stages, any previous held equity interest in the acquiree is re-measured to its acquisition date fair value and any resulting gain or loss is recognised in consolidated statement of profit and loss or OCI, as appropriate.

Business combinations (common control business combinations)

Business combinations arising from transfer of interests in entities that are under the control of the shareholder that controls the Group are accounted for as if the acquisition had occurred at the beginning of the earliest comparative presented period or, if later, at the date that the common control was established; for this purpose comparatives are revised.

The assets and liabilities acquired are recognised at their carrying amounts. The identity of the reserves is preserved and they appear in the consolidated financial statements of the Group in the same form in which they appeared in the financial statements of the acquired entity. The difference, if any, between the consideration and the amount of share capital of the acquired entity is transferred to capital reserve.

Basis of consolidation

Subsidiaries and controlled trust

Subsidiaries and controlled trust are entities controlled by the Group. The Group controls an entity when it is exposed to, or has right to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries and controlled trust are included in the consolidated financial statements from the date on which control commences until the date on which control ceases. The financial statements of the subsidiaries and controlled trust are consolidated on a line by line basis. Intra-group balances and transactions, and any unrealised income and expenses arising from intra group transactions, are eliminated. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

Non-controlling interest ("NCI")

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition. Changes in the Group's interest in the subsidiary that do not result in a loss of control are accounted for as equity transactions.

Goodwill

Goodwill represents the cost of business acquisition in excess of the Group's interest in the net fair value of identifiable assets, liabilities and contingent liabilities of the acquiree. When the net fair value of the identifiable assets, liabilities and contingent liabilities acquired ("net assets") exceeds the cost of business acquisition, the excess of net assets over cost of business acquisition is recognised immediately in capital reserve. Goodwill is measured at cost less accumulated impairment losses.

Loss of control

When the Group loses control over a subsidiary or a controlled trust, it derecognizes the assets and liabilities of the subsidiary or the controlled trust, and any related NCI and other components of equity. Any interest

FINANCIAL Statements

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognised in the consolidated statement of profit and loss.

Equity accounted investee

The Group's interest in equity accounted investees comprise interests in associate. An associate is an entity in which Group has significant influence, but no control or joint control over the financial and operating policies. Interest in associate are accounted for using the equity method. They are initially recognised at cost which includes transaction costs. Subsequent to initial recognition, the consolidated financial statements include the Group's share of profit and loss and OCI of equity- accounted investees until the date on which significant influence ceases.

Unrealized gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the investee.

3.2. Property, plant and equipment

Recognition and measurement

Property, plant and equipment are stated at historical cost less accumulated depreciation, and accumulated impairment loss, if any. Historical cost comprises of the purchase price including duties and non-refundable taxes, borrowing cost if capitalisation criteria's are met,

directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management and initial estimate of decommissioning, restoring and similar liabilities.

Capital work in progress is stated at cost, net of accumulated impairment loss if any.

Subsequent costs related to an item of property, plant and equipment are recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are recognised in statement of profit and loss during the reporting period when they are incurred.

An item of property, plant and equipment is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gains or losses arising from derecognition are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

Depreciation is calculated using the straight-line method over their estimated useful lives as follows:

Asset description	Useful life in years as per Schedule II	Useful life as per Company
Buildings	30	30
Plant and equipment	15	10 and 15
Furniture and fixtures	10	10
Office equipment	5	5
Vehicles	8	8
Computers	3 and 6	3 and 6

The useful lives have been determined based on managements' internal technical assessment, which in certain instances are different from those specified by Schedule II to the Act, in order to reflect the actual usage of the assets.

The assets residual values and useful life are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

3.3. Goodwill and Other Intangible assets

Recognition and measurement

Goodwill

Goodwill being the excess of the aggregate consideration transferred over the net identifiable assets acquired and liabilities assumed, is stated at cost, less impairment, if any. Any goodwill that arises from business combination is tested for impairment annually.

Other Intangible Assets

Intangible assets acquired separately are measured on

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

An item of intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. The gains or losses arising from derecognition are measured as the difference between

the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

The Group amortises intangible assets with a finite useful life using the straight-line method over the following periods:

Asset description	Useful life in years
Computer software	6

The estimated useful life of the intangible assets and the amortisation period are reviewed at the end of the each financial year and the amortisation period is revised to reflect the changed pattern, if any.

Subsequent costs related to intangible assets are recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

3.4. Impairment

Impairment of financial assets

In accordance with Ind AS - 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, deposits, and bank balance

b) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS- 115.

The Group follows 'simplified approach' for recognition of impairment loss allowance on:

Trade receivables or contract revenue receivables

The application of simplified approach does not require the Group to track changes in credit risk.

Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Group recognises an allowance for expected credit losses (ECLs) for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the group expects to receive, discounted at an approximation of the original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Impairment of non-financial assets

The Group assesses, at each reporting date,

whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Group's cash generating unit's (CGU's) to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Group extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years,

unless an increasing rate can be justified. In any case, this growth rate does not exceed the long-term average growth rate for the products, industries, or country or countries in which the Group operates, or for the market in which the asset is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to other comprehensive income (OCI). For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or cash generating unit's (CGU's) recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

3.5. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are

capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

3.6. Foreign currency transactions

i) Functional and presentation currency :

Items included in the consolidated financial statements of the group are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The group financial statements are presented in Indian rupee (INR), which is functional and presentation currency of the Group.

ii) Transactions and balances :

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in statement of profit and loss.

3.7. Revenue recognition

Revenue from contracts with customer is recognised upon transfer of control of promised goods/services to customers at an amount that reflects the consideration to which the Group expect to be entitled for those goods/services.

To recognize revenues, the Group applies the following five-step approach:

- Identify the contract with a customer;
- Identify the performance obligations in the contract;
- Determine the transaction price;

- Allocate the transaction price to the performance obligations in the contract; and
- Recognise revenues when a performance obligation is satisfied.

Revenue is measured at the fair value of the consideration received or receivable net of returns and allowances, trade discounts and volume rebates, taking into account contractually defined terms of payment excluding taxes or duties collected on behalf of the government.

Variable consideration

If the consideration in a contract includes a variable amount, the Group estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Others

- The Group accounts for variable consideration like volume discounts, rebates, returns and pricing incentives to customers as reduction of revenue on a systematic and rationale basis over the period of the contract. The Group estimates an amount of such variable consideration using expected value method or the single most likely amount in a range possible consideration depending on which method better predicts the amount of consideration to which the Group may be entitled.
- Revenues are shown net of allowances /returns, goods and service tax and applicable discounts and allowances.
- The Group typically provides warranties for general repairs of defects that existed at the time of sale. These assurance-type warranties are

FINANCIAL Statements

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

accounted under Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets.

Trade receivable

A receivable is recognised if an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets.

Interest income

Interest income is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Interest income is included under the head 'other income' in the statement of profit and loss.

For all financial instruments measured at amortised cost, interest income is recorded using the effective interest rate, which is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in the statement of profit and loss.

3.8. Interest expense

Interest expense is recognised using the effective interest method. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments through the expected life of the financial instrument to the amortised cost of the financial liability. In calculating interest expense, the effective interest rate is applied to the amortised cost of the liability.

3.9. Employee benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current financial liabilities in the balance sheet.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The liabilities for leave balance are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields on government bonds at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in statement of profit and loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

Post-employment obligations

The group operates the following post-employment schemes:

- (a) defined benefit plans - gratuity, and
- (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have term approximating the term of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Such accumulated re-measurement balances are never reclassified into the statement of profit and loss subsequently.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service costs.

Defined contribution plan

Retirement benefit in the form of provident fund scheme, ESI, Superannuation, are the defined

contribution plans. The Group has no obligation, other than the contribution payable. The Group recognizes contribution payable to these schemes as an expenditure, when an employee renders the related service.

3.10. Income taxes

Income tax comprises of current tax and deferred tax. It is recognised in the statement of profit and loss except to the extent that it relates to an item recognised directly in the other comprehensive income.

Current tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in other comprehensive income (OCI) or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts, and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of

FINANCIAL Statements

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

- In respect of taxable temporary differences associated with investments in subsidiaries, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss

- In respect of deductible temporary differences associated with investments in subsidiaries deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the

extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Tax benefits acquired as part of a business combination, but not satisfying the criteria for separate recognition at that date, are recognised subsequently if new information about facts and circumstances change. Acquired deferred tax benefits recognised within the measurement period reduce goodwill related to that acquisition if they result from new information obtained about facts and circumstances existing at the acquisition date. If the carrying amount of goodwill is zero, any remaining deferred tax benefits are recognised in OCI/capital reserve depending on the principle explained for bargain purchase gains. All other acquired tax benefits realised are recognised in statement of profit and loss.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

3.11. Earnings/(loss) per share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders by the weighted average number of equity shares outstanding during the period (including treasury share).

The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Ordinary shares that will be issued upon the conversion of a mandatorily convertible instrument are included in the calculation of basic earnings per share from the date the contract is entered into.

3.12. Provision and contingent liabilities

Provisions

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions for warranty-related cost are recognized when the product is sold to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

Contingent liabilities

A contingent liability is a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses it in the consolidated financial statements, unless the possibility of an outflow of resources embodying economic benefits is remote.

3.13. Cash and cash equivalents

Cash and cash equivalents in the balance sheet and cash flow statement comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the Consolidated Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

3.14. Cash flow statement

Cash flows are reported using the indirect method, whereby net (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

3.15. Financial instruments

Recognition and initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue.

Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at either at amortised cost, FVTPL or fair value in other comprehensive income (FVOCI). Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Group may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of the investments.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Group may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets: Business model assessment

The Group makes an assessment of the objective of the business model in which a financial asset is held at investment level because this best reflects the way the business is managed and information is provided to management. The information considered includes:

- the stated policies and objectives for each of such investments and the operation of those policies in practice.
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed;
- the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group's continuing recognition of the assets.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

Financial assets: Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g. liquidity risk and administrative costs), as well as a profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making this assessment, the Group considers:

- contingent events that would change the amount or timing of cash flows;
- terms that may adjust the contractual coupon rate, including variable interest rate features;
- prepayment and extension features; and
- terms that limit the Group's claim to cash flows from specified assets (e.g. non-recourse features).

Financial assets: Subsequent measurement and gains and losses

Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in statement of profit and loss.

Financial assets at FVTOCI

If the Group decides to classify an equity

instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of the investments.

Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in statement of profit and loss. Any gain or loss on derecognition is recognised in statement of profit and loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in statement of profit and loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in the statement of profit and loss. Any gain or loss on derecognition is also recognised in the statement of profit and loss.

Derecognition

Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled or expired. The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in the statement of profit and loss.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously

3.16. Leases

The Group has lease contracts for various buildings used in its operations. Lease terms generally ranges between 3 and 9 years.

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in Note 3.3 for policy on impairment of non-financial assets.

Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce

inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Extension and termination option

The Group has several lease contracts that include extension and termination options. These options are negotiated by management to provide flexibility in managing the leased-asset portfolio and align with the Group's business needs. Management exercises significant judgement in determining whether these extension and termination options are reasonably certain to be exercised. Management have not considered any future cash outflow for which they are potentially

exposed arising due to extension and termination options.

The Group as a lessor

Leases in which the Group does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Lease income from operating lease is recognized on a straight-line basis over the term of the relevant lease.

3.17. Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

- Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity but excluding borrowing costs. Cost is determined on weighted average basis.

- Traded goods: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

3.18. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The Group has identified one reportable segment based on the dominant source, nature of risks and return and the internal organisation and

FINANCIAL Statements

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

management structure and for which discrete financial information is available. The Executive Management Committee monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. The Group has only one reportable business segment, which is manufacture, purchase and sale of coir, foam and related products which constitutes a single business segment. Accordingly, the amounts appearing in the consolidated financial statements relate to the Group's single business segment. Refer Note 35 for segment information and segment reporting.

3.19. Use of judgements, estimates and assumptions

The preparation of the consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of asset or liability affected in future periods. The areas involving significant estimates or critical judgements are:

(i) Defined benefit plans

The cost of the defined benefit gratuity plan and other post-employment benefit and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate and future salary increases. Due to complexities involved in the valuation and its long term nature, a defined benefit obligation is highly

sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. The mortality rate is based on publicly available mortality table in India. The mortality tables tend to change only at interval in response to demographic changes. Further salary increases and gratuity increases are based on expected future inflation rates.

Further details about the gratuity obligations are given in Note 41.

(ii) Deferred taxes

Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all the deductible temporary differences, carry forward of unused tax credits and unused tax losses, however the same is restricted to the extent of the deferred tax liabilities unless it is probable that sufficient taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. In the absence of reasonable certainty over recoverability of deferred taxes on carry forward losses no deferred tax assets have been recognised up to the reporting date.

(iii) Impairment of financial and non-financial assets:

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period. In case of non-financial assets group estimates asset's recoverable amount, which is higher of an asset's or Cash Generating Units (CGU's) fair value less

Notes to the Consolidated Financial Statements for the year ended March 31, 2024

costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

3.20. Insurance claims

Insurance claims are accounted for on the basis of claims admitted/expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is certain to expect ultimate collection.

3.21. Changes in accounting policies and disclosures - New and amended standards

The Group applied for the first time the following standards and amendments, which are effective for annual periods beginning on or after April 1, 2022, as per the Companies (Indian Accounting Standard) Amendment Rules 2022 dated March 23, 2022 notified by the Ministry of Corporate Affairs:

The Ministry of Corporate Affairs has notified Companies (Indian Accounting Standards) Amendment Rules, 2023 dated 31 March 2023 to amend the following Ind AS which are effective for annual periods beginning on or after 1 April 2023. The Company applied for the first-time these amendments.

(a) Definition of Accounting Estimates – Amendments to Ind AS 8

The amendments clarify the distinction between changes in accounting estimates and changes in accounting policies and the correction of errors. It has also been clarified how entities use measurement techniques and inputs to develop accounting estimates.

The amendments had no impact on the Company's financial statements.

(b) Disclosure of Accounting Policies – Amendments to Ind AS 1

The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures.

The amendments have had an impact on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

(c) Deferred Tax related to Assets and Liabilities arising from Single Transaction – Amendments to Ind AS 12

The amendments narrow the scope of the initial recognition exception under Ind AS 12, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases.

As a result of these amendments, the Company has recognised a separate deferred tax asset in relation to its lease liabilities and a deferred tax liability in relation to its right-of-use assets. Since, these balances qualify for offset as per the requirements of paragraph 74 of Ind AS 12, there is no impact in the balance sheet.

The aforesaid amendments are not expected to have any material impact on the Company's standalone financial statements.

3.22. Standards issued but not yet effective

There are no standards that are noticed and not yet effective as on that date.
